Those who attain power are able to manipulate the ignorance of the public to maintain their position. The public is often ignorant or blind to the true intentions of those who lead them. This is seen through the novella *Animal Farm*, written by George Orwell, an allegory inspired by the Russian Revolution. The surface idea of the story is about animals overthrowing their owner to take control of their lives, while the underlying story is a critique of the Russian Revolution, revealing the ways in which ideals can be corrupted by the pursuit of power. Orwell reveals how power can corrupt ideals and how propaganda together with ignorance and poor education can lead to authoritarianism.

Power and corruption are often linked and *Animal Farm* demonstrates how the desire for power leads to corruption of ideals and leadership. Many of the characters in the novella, particularly the pigs, are eventually corrupted by their quest for power, as they exploit their position of leadership to oppress other animals. This inevitable corruption of purpose and values is foreshadowed from chapter one through Old Major's dream and the order in which the animals settle down to listen to his monologue. Before Major's speech, the animals arrange themselves into a certain form: the dogs and the pigs are at the front, with the sheep and cows behind them, then the horses, Muriel and Benjamin, and finally Moses and the cat. In protest of Mr Jones' mistreatment of the animals, Old Major teaches the animals a song called 'Beasts of England'. The song is about man being overthrown by animals, who receive freedom. *'Bit and spur shall rust forever, Cruel whips no more shall crack.'* Mr Jones' methods to maintain his authority are sung by the animals. To keep the animals under control, visual imagery and personification 'whips', 'bit and spur' are used to emphasise Mr Jones' cruelty. The pigs recognise what Karl Marx did, that in an industrial society whoever controls the means of production holds all the power. This is why the pigs manipulate the other animals into working the farm and producing food and Napoleon, representative of Stalin, is one of the first to wield the whip. Snowball, though portrayed more sympathetically than Napoleon, would not, necessarily, have
