During Reading

Directions: Start and stop at the page(s) indicated. Answer the questions and be prepared to share with your class.

Page Number	DURING READING QUESTIONS	STUDENT RESPONSE
Start Page 45: "As winter drew on, Mollie became more and more troublesome." To Page 48: "But of all their controversies, none was so bitter as the one that took place over the windmill."	A. Why do you think that Napoleon and Snowball always disagree? B. Contrast the leadership style of each pig.	Napoleon does not want Snowball to lead Animal Farm and gain more popularity than himself. Napoleon is a self-centered, ruthless dictator Snowball is happy, and he is more creative and more fluent.
Start Page 48: "In the long pasture, not far from the farm buildings..." To the end of Page 53: "It was noticed that they wagged their tails..."	Contrast Napoleon and Snowball's perspectives on the windmill.	Snowball argues in favor of the windmill, which he is certain will eventually become a labor-saving device; Napoleon argues against it, saying that building the windmill will take time and effort away from the more important task of producing food.
	How do Napoleon's actions in this scene affect the other animals?	They don't agree with Napoleon.
Start Page 54: "Napoleon, with the dogs following him..." To Page 58:	Consider the changes Napoleon makes to how the farm will be run. In your opinion, what is his likely motivation for the changes?	There will be no more Sunday Meetings. All decisions about the farm will be made by a committee of pigs presided over by Napoleon. The animals will now meet on Sundays to salute the flag, sing "Beasts of England," and receive their orders for the week.

Children and Animals Frank R. Ascione,2005 Animal abuse has been an acknowledged problem for centuries but only within the past few decades has scientific research provided evidence that the maltreatment of animals often overlaps with violence toward people The variants of violence including bullying or assaults in a schoolyard child abuse in homes violence between adult intimate

partners community hostility in our streets and neighborhoods and even the context of war are now the subject of concerted research efforts Very often the association of these forms of violence with cruelty to animals has been found The perpetrators of such inhumane treatment are often children and adolescents How common are these incidents What motivates human maltreatment of animals Are there cultural societal neighborhood and family contexts that contribute to cruelty to animals How early in a child s life does cruelty to animals emerge and are these incidents always a sign of future interpersonal violence Are there ways of preventing such cruelty Can we intervene effectively with children who already have a history of abuse and violence Children and Animals Exploring the Roots of Kindness and Cruelty presents the current scientific and professional wisdom about the relation between the maltreatment of animals and interpersonal violence directed toward other human beings However the author Frank R Ascione a noted expert in these areas writes in a style and presents the findings in a language that will be understandable to parents teachers counselors clergy animal welfare professionals foster parents mental health professionals youth workers law enforcement professionals and anyone else whose work or interest crosses into the lives of children and adolescents Animal Rights David DeGrazia,2002-02-21 Do animals have moral rights If so what does this mean What sorts of mental lives do animals have and how should we understand welfare By presenting models for understanding animals moral status and rights and examining their mental lives and welfare David DeGrazia explores the implications for how we should treat animals in connection with our diet zoos and research Animal Rights distinguishes itself by combining intellectual rigour with accessibility offering a distinct moral voice with a non polemical tone ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Milestones Social Science □ 1 Savita Khanna, The Milestones series conforms to CBSE s CCE scheme strictly adhering to the NCERT syllabus The text is crisp easy to understand interactive informative and activity based The series motivates young minds to question analyse discuss and think logically *Animals and us* Jennifer Brown,Yolande Seddon,Michael Appleby,2023-08-07 Can we improve the health and welfare of livestock while increasing production Can we maintain animal biodiversity in the face of increasing demands for resources and expanding agriculture Can we use animal behaviour to reduce the carbon footprint of livestock production Applied ethology is a young multidisciplinary science that is relevant to these and other pressing issues This book celebrates the history and science of applied ethology and commemorates the 50th anniversary of the International Society for Applied Ethology Through themes such as human animal interaction play behaviour cognition evolutionary theory and the relationship between applied ethology and animal welfare science the book examines why ethologists are so passionate about their work and why this field remains more exciting now than ever Chapter authors include world renowned ethologists such as Don Broom Ian Duncan Ruth Newberry and many

others The history of the ISAE and development of the field is presented with engaging profiles of founding members and pioneers in the field New methods and emerging issues in behaviour research are discussed along with the development of ethology around the globe The book concludes with thoughts on future directions for applied ethology in addressing global issues of animal production welfare biodiversity and the role of the ISAE The book provides an exciting overview of this emerging field of science and is intended for academics students and anyone who takes pleasure in observing animals

Animal Welfare in Extensive Production Systems Juan Villalba,Xavier Manteca,2016-07-29 There has been a lot written about animal welfare in intensive farming systems but very little about animals reared in extensive agricultural systems Yet these animals make up a significant proportion of the world s farm animal population covering a large portion of the globe Animals kept in extensive conditions face a unique set of challenges that are vital for anyone with an interest in farm animal welfare to understand *Animal Welfare in Extensive Production Systems* presents those challenges in a practical way backed up with thoroughly referenced research Topics covered include heat stress water quality and availability nutrition predation poisonous plants transport human animal interactions and neonatal mortality This book is ideal for animal welfare academics students and researchers It can also be beneficial to students in animal science veterinary science and agriculture and to farm industry producers and personnel The Animal Welfare Series covers current topics in animal welfare to further research and inform the scientific policy making and farming communities 5m Books **Journal of the Senate, Legislature of the State of California** California. Legislature. Senate,1953 Excel HSC Biology Diane Alford,Jennifer Hill,2008 **Animal Husbandry Regained** John Webster,2013 The farming of animals for meat and milk confronts a stark dilemma While world demand from a growing and more affluent human population is increasing rapidly there are strong counter arguments that we should eat less meat and pay more attention to environmental protection animal welfare and human health and well being The aim of this book is to identify and explain the causes and contributors to current problems in animal husbandry especially those related to factory farming and advance arguments that may contribute to its successful re orientation Husbandry is considered in its broadest sense namely the productive and sustainable use of the land for the good of all plants humans and other animals The first part of the book outlines principles and arguments necessary to engage with current problems depletion of natural resources and destruction of environment animal welfare food and health fair trade and sharing resources These arguments are illustrated by examples and sufficient evidence to justify the argument without obscuring the message The second part presents a series of constructive proposals for change and development in animal husbandry both in the developed world and subsistence agriculture These include more integrated crop and livestock farming systems the ethics of animal welfare and environmental management and the evolution of a new social contract whereby the rights of the people to a fair share of good safe food and a green and pleasant land are matched by a shared responsibility to preserve these things
