21 Short Dog Stories Vincent Quatroche, 2011-05-12 The stories collected in this book represent interpretations of the individual perspective spanning over 35 years While somewhat biographical in places like almost all alleged fiction is based upon I will resist the wholesale codification that this work can be dismissed as trivial contrived or confessional What happens to us here on earth channels the prism of the collective through the sharp iris focus of the singular We do share our elemental nature of humanity well some more than others but of all the things we want to believe love fear or cling to this one truth is to my way of thinking unmistakable Somewhere beyond philosophic negotiation or sophist negation the simple truth is you are born alone with nothing and will exit in exactly the

same state at the end of the line Any discussion of a supposed imagined afterlife is a matter for faith or conviction to either reassure or terrify However any departure point for that debate might begin I believe with this perspective If memory constitutes the soul then that soul must constitute memory The soul could be defined a pure memory If we take anything of personal identity away from this existence would it not be every thought action dream or nightmare we experienced in a lifetime If consciousness endures beyond the grave we will inhabit our own memory for infinity Perhaps a much more sobering thought than the traditional constructs of a heaven or a hell In part the writer performs the act of expression out of a deep personal compulsion and necessity When the voice of the Stream of Consciousness is obsessed in reliving a past event reordering present reality or projecting a possible future so loud and clear there must be a release to attempt to restore some tentative truce with sanity So the recording and retelling of experience commences attempting to make some sense to make peace with the holocaust of confusion fear and pain that seems to rage on a daily basis over the course of a lifetime unabated So where does that leave joy beauty love and fulfillment to fit into all of this Well of course it must but unfortunately I believe it merely escapes leaks or somehow perseveres to force itself as a counterbalance to the dark other And of course there absolutely must be a Court Jester There has to be Lacking a sense of humor and appreciation of irony or the absorb the perspective is twisted in a mask of madness and bitterness which drains the color from the mind heart and soul into a small gray hard core of desolation Then our existence in this flesh is reduced to merely a life sentence Doing time in the skin where upon death swings open the cell door They stories are my humble attempt at obtaining time off for either good or bad behavior but above all An early release Vincent Quatroche May 2011 *The Art and Literature of Banjara Lambanis* Dhanasing B. Naik,2000 The Present Book Is A Laudable Attempt To Study The Folk Literature And Folk Arts Of The Banjara Lambanis One Of The Original Tribes Of Real India Dr Naik Explores The So Far Unknown Facets Of Lambani Folk Literatures And Arts Comprehensively Folk Songs Narrative Songs Folk Tales Proverbs Dance Rangoli Embroidery Tattooing And Folk Dramas In This Book He Establishes A Realm Of Study In Which One Could Spend A Lifetime With Pleasure Mapping The Whole World Of Banjara Lambanis Oral Tradition So This Book Is Highly Useful To The Academics And Interesting To The Laymen *Famous Animal Stories* Ernest Thompson Seton,1932 Stories from across time about animals insects and monsters Cat and dog stories [by W.S.
