I'm A Shareholder

Rick Roman, I m A Shareholder is a unique and experiential way to teach kids about the stock market It s colorful it s fun and it s the only kids book that can be coupled with a share of stock whether it is from GiveAshare com or stock held in a brokerage account In fact the book comes with coupon for 20 off the students first share of stock in a company they love This NAPPA award winning book teaches the basics about stocks what it means to be a shareholder and the experiences that come with stock ownership Teachers parents and grandparents who want to teach their kids to be savers and investors rather than spenders should buy this book See the stellar reviews on Amazon com

Public Relations Writing

James Mahoney, 2025-03-31 Public Relations Writing is an undergraduate communication and public relations textbook It positions writing for public relations in the context of strategic planning and is based on traditional communication writing principles including for news and digital media The book illustrates how writing for all public relations tools reflects the concepts that inform professional planning and practice This book based on the author s wide professional practice and tertiary teaching experiences has been widely used in international undergraduate teaching and learning This fourth edition continues to treat clear concise and accurate writing for this profession as integral to all aspects of professional practice and as a skill that is

not confined to media release writing Among the book s strengths are the student exercises including international cases which are based on real world examples and references to ethical practice This book provides a holistic approach to learning about writing in this profession While its focus is on writing this holistic approach which includes material on planning a communication strategy makes it an ideal text for introductory subjects at university as well as for specialist writing units While it is primarily grounded in Australian practice the book is written in line with accepted international approaches to public relations writing including the principles of journalism s news writing and contains case studies from other countries This book appeals to audiences in early year university students studying public relations and marketing communication It is also suitable for professional practitioners seeking to enhance their writing skills

Effectiveness of the Sarbanes-Oxley Act of 2002 in Preventing and Detecting Fraud in Financial Statements Debra DeVay,Debra L. De Vay,2006 The collapse of Enron WorldCom and other large corporations in 2001 and 2002 motivated Congress to pass the Sarbanes Oxley Act of 2002 SOX The purpose of this legislation was to restore investor confidence in

the United States stock markets and to prevent and detect fraud in financial statements as well This dissertation examines the effectiveness of SOX for the latter purpose of preventing and detecting fraud using statistical enforcement data presented by the Securities and Exchange Commission and financial statement restatement numbers published by the Huron Corporation The two methodologies utilized to analyze the data were the unpaired t test and the chi square test Surveys were also emailed to executives and certified public accountants across the country to extract opinions as to the effectiveness of SOX The statistical analysis results displayed that in 61% to 65% of the data sets the numbers prior to the enactment of SOX were no different than the numbers subsequent to the enactment of SOX The majority of the survey respondents feel that the benefits of SOX are not worth the costs it is not effective in the prevention and detection of fraud in financial statements and that it should be modified but not eliminated entirely While some sentiment exists that SOX is salvageable if revisions are executed both the quantitative and qualitative analyses indicate support of the null hypothesis that SOX is not effective in the prevention and detection of fraud in financial statements
