**Party Autonomy and the Role of Information in the Internal Market**  
 Stefan Grundmann, Wolfgang Kerber, Stephen Weatherill, 2001 Examination of Party Autonomy and its limits has always raised fundamental questions in national contract and private law The concentration on information solutions which enhance and leave more space to party autonomy is a fundamentally new approach to this core issue and is typical of Community legislation The complexity of the question made it advisable to have the different aspects treated and discussed by specialists in different areas by legal scholars and economists by EC law and by contract law specialists by scholars from different jurisdictions with different regulatory approaches and backgrounds The four parts deal with 1 the economic and constitutionell foundations of the question with 2 the framework to be found in EC treaty law with 3 the fundamental and more general aspects relating to substantive EC contract law legislation and with 4 the most important individual legal measures The book covers both general contract law with consumer contracts and labour contract law

Microeconomics, 2000

*Microeconomics* R. Glenn Hubbard, Anne M. Garnett, Philip Lewis, Anthony Patrick O'Brien, 2014-09-01

Microeconomics is the most engaging introductory economics resource available to students today Using real businesses

examples to show how managers use economics to make real decisions every day the subject is made relevant and meaningful Each chapter of the text opens with a case study featuring a real business or real business situation refers to the study throughout the chapter and concludes with An Inside Look a news article format which illustrates how a key principle covered in the chapter relates to real business situations or was used by a real company to make a real business decision Solved problems in every chapter motivate learners to confidently connect with the theory to solve economic problems and analyse current economic events      *Kearl Using Microeconomics Wkbk* Kearl,1993      Microeconomics in Words Gregory Besharov,2024-06-19 The claims of economists about the successes and failures of markets have enormous influence in public debates yet the sources of those claims are often unclear Microeconomics in Words demystifies microeconomic analyses by showing how they depend on simplifying assumptions and ethical judgments that could be made differently As microeconomics is a model based discipline this book addresses what makes outcomes efficient in models of markets and it questions when market efficiency is desirable To make the material more accessible and to provide context for the ideas the book adopts a word based rather than mathematical approach and uses many examples from literary classics Starting with the basic model of supply and demand the book layers on complications of taxes market failures and their solutions limitations on correcting them and transaction costs and institutions It focuses on both the insights and the limitations of economic analyses not only what has been formally proven but also what is discussed less formally in seminars and articles The book then turns to the topics of free trade and controversial markets for cigarettes and transplant organs to show how the tools and concepts that have been developed are used and not used in practice      **Microeconomics in a Canadian Setting** C. Michael Fellows,1993      Role of Micro Economic Policy on Poverty Reduction Stephen Okiya Shisoka,Elijah Kihoto Maringa,Nsama Musawa,Stephen Githae Njaramba (Ph.D.),Justus Kalii Makau,Dr. John Yabs,2022-12-29 TOPICS IN THE BOOK Effect of Human Capital Development on Poverty in Kenya Market Reaction to Earnings Announcements at Nairobi Securities Exchange A Comparative Analysis of Fama French Five and Three Factor Model in Explaining Stock Returns Variation The Sources of Housing Prices Growth in Kenya Macro economic Environment and Public Debt in Kenya Trade Barriers between European Union and East African Countries      *Economics* Colin Bamford,Stephen Walton,2008-06 Developed in partnership with OCR to give you the best support for the 2008 specification this series features separate books for AS and A2 level that guide students through the specification and help them to achieve their potential It helps students understand and apply the key skills with an Economist s Toolkit section      The University of Michigan Bulletin University of Michigan,2003 Each number is the catalogue of a specific school or college of the University
