Role of Leaders in Managing Higher Education Enakshi Sengupta,Patrick Blessinger,2022-12-05 Role of Leaders in Managing Higher Education highlights the importance of leaders in educational institutions Showcasing a richly diverse authorship the collection discusses the autonomy of faculty members based on bonds created through ethics the style of leadership and the concept of democracy and social justice Publishing, Books & Reading in Sub-Saharan Africa Hans M. Zell,2008 Published in dual print and electronic formats this is a new substantially recast and fully updated edition of a bibliography published over ten years ago previous edition published as Publishing and Book Development in Sub Saharan Africa An Annotated Bibliography London Hans Zell Publishers Bowker Saur 1996 Covering both print and online resources it charts the growth of publishing and book development in the countries of Africa south of the Sahara as well as including a very large number of entries on many other topics as they relate to books and reading in Africa With almost 3 000 critically annotated citations it is the definitive bibliography and the most complete documentation resource on the current state of the book on the African continent Afropolitanism and the Novel Ashleigh Harris,2019-08-09 The place of the novel as a literary form in Africa is contested Its colonial origins and its unaffordability for most Africans make it a bad fit for the continent yet it was also central to the creation of most postcolonial African national literary canons These bipolar traditions remain unresolved in recent debates about Afropolitanism and the novel in Africa today This book extends this debate arguing that Africa s de realization in global representation and the global economy is reflected in the African novel becoming dominated by Afropolitan rather than African aesthetics styles and forms Drawing on close readings of a variety of major African novels of the 2000s the volume traces the tensions between the novel s complicity with and resistance to such de realization The book argues that current trends and experiments in African non realist genres such as science fiction magical and animist realism Afro futurism and speculative environmentalism are the result of a preoccupation with such de realization The volume is a significant exploration into literary form and its social philosophical political and economic underpinnings It will be a must read for scholars students and researchers of African literature politics philosophy and culture studies China-Japan Relations in the 21st Century Lam Peng Er,2017-09-05 This new collection examines the paradox of Sino Japanese relations and the rising diplomatic antagonism between both countries despite deepening economic interdependency Offering a unique perspective on the history of bilateral ties since diplomatic normalization in 1972 it considers the growing interdependency between China and Japan in bilateral trade investment tourism and education as well as the question of nationalism and Sino Japanese rivalry in multilateral settings such as in ASEAN processes the Mekong Basin and the South China Sea Focusing on the power transition in East Asia the lack of a common enemy in the post Cold War era the clash of Chinese and Japanese nationalism and a lack of trust shared values and common identity between China

and Japan this collection addresses the origins of a troubled bilateral relationship which could impact on the stability and prosperity of East Asia *Nursing Practice* Ian Peate, Karen Wild, 2018-02-05 The second edition of the successful and definitive nursing textbook *Nursing Practice* is designed to support the student throughout the entire nursing degree Structured around the latest Nursing and Midwifery Council Code of Conduct it explores a range of clinical and professional issues that the student will need to know in one complete and accessible volume Thoroughly updated and with full colour high quality illustrations throughout this new edition features an additional chapter on the principles of supporting families and carers in practice advice on revalidation as well as a number of learning features and activities to help consolidate learning *Nursing Practice* provides invaluable information to enable not just student nurses but also those who are qualified and members of the extended nursing family to develop a deeper understanding of their patients needs and to ensure that they are practicing safely and effectively
