PREPARATORY EXAMINATION 2022 MARKING GUIDELINES

ACCOUNTING PAPER 1 (10711)

MARKING PRINCIPLES:

1. Unless otherwise stated in the marking guidelines, penalties for foreign items are applied only if the candidate is not losing marks elsewhere in the question for that item (no penalty for misplaced item). No double penalty applied.
2. Penalties for placement or poor presentation (e.g. details) are applied only if the candidate is earning marks on the figures for that item.
3. Full marks for correct answer. If answer incorrect, mark the workings provided.
4. If a pre-adjustment figure is shown as a final figure, allocate the part-mark for the workings for that figure (not the method mark for the answer). Note: If figures are stipulated in memo for components of workings, these do not carry the method mark for final answer as well.
5. Unless otherwise indicated, the positive or negative effect of any figure must be considered to award the mark. If no + or – sign or bracket is provided, assume that the figure is positive.
6. Where indicated, part-marks may be awarded to differentiate between differing qualities of answers from candidates.
7. Where penalties are applied, the marks for that section of the question cannot be a final negative.
8. Operation means 'check operation'. 'One part correct' means operation and one part correct. Note: Check operation must be +, -, x, ÷, or per memo.
9. One part correct means 'operation and one part correct'. Where one part correct, the marker must inspect the reasonableness of must be correct before awarding the mark. If a figure has earned regarded as 'one part correct'.
10. In calculations, do not award marks for workings if numerator also applies to ratios.
11. In awarding method marks, ensure that candidates do not get it incorrect at least in part. Indicate with a ☒.
12. Be aware of candidates who provide valid alternatives beyond t
13. Codes: f = foreign item; p = placement/presentation.

Comprehensive Guide to SBI Bank PO Preliminary & Main Exam with 5 Online Tests (10th Edition) Disha Experts, 2020-07-01

Success in Higher Education Leigh N. Wood, Yvonne A. Breyer, 2016-10-26 This book explores successful transition strategies to within and from university for students from around the globe with Macquarie University a large Australian university studied in depth It addresses the meaning of success taking a variety of perspectives including student staff and employer views The chapters present a series of initiatives that have proven to be successful in assisting students in developing their academic potential throughout university and beyond The authors of the chapters use a variety of methodologies and approaches reflecting the diverse local contexts and requirements These international perspectives demonstrate a triumph of practice that has led to the empowerment of individuals and groups The approaches from twelve universities located in eight different countries stem directly from the coalface and provide many valuable lessons and tools that colleagues in the sector will be able to consider and adapt in their own contexts Small interventions matter from a mentor of a nervous student who goes on to achieve greatness to the use of a curriculum design model that hooks a whole group of students into learning and achievement This book covers both the small individual victories and the

larger scale strategies that support success Contributions emanate from Australia Bangladesh India China New Zealand
United Kingdom Canada USA Uruguay and South Africa
