Annual Report India. Ministry of Finance, 2013 *Reshaping Urban Conservation* Ana Pereira Roders, Francesco Bandarin, 2019-02-07 This volume focuses on the implementation of the 2011 UNESCO Recommendation on the Historic Urban Landscape HUL approach designed to foster the integration of heritage management in regional and urban planning and management and strengthen the role of heritage in sustainable urban development Earlier publications and research looked at the underlying theory of why the HUL approach was needed and how this theory was developed and elaborated by UNESCO A comprehensive analysis was carried out in consultation with a multitude of actors in the twenty first century urban scene and with disciplinary approaches that are available to heritage managers and practitioners to implement the HUL approach This volume aims to be empirical describing analyzing and comparing 28 cities taken as case studies to implement the HUL approach From those cases many lessons can be learned and much guidance shared on best practices concerning what can be done to make the HUL approach work Whereas the previous studies served to illustrate issues and challenges in this volume the studies point to innovations in regional and urban planning and management that can allow cities to avoid major conflicts and to further develop in competitiveness These accomplishments have been possible by

building partnerships devising financial strategies and using heritage as a key resource in sustainable urban development to name but a few effective strategies For these reasons this volume is primarily pragmatic linked to the daily work and challenges of practitioners and administrators using specific cases to assess what was and is good about current practices and what can be improved in accordance with the HUL approach and aims **Dominica** International Monetary Fund. Western Hemisphere Dept.,2016-07-20 This 2016 Article IV Consultation highlights that the Dominican economy was hit hard by tropical storm Erika in 2015 Agricultural output and manufacturing declined sharply as the storm affected crops and access to arable land and prompted the closure of operations of the main industrial plant Inflation has remained subdued mainly as a result of falling fuel prices Notwithstanding weak exports of agriculture and tourism the 2015 current account deficit remained contained on the back of lower oil imports Output growth is expected to remain subdued in 2016 at 1.3 percent as the economy slowly recovers from the storm and investment in reconstruction picks up
