

# InterQual® Criteria

## Support Clinicians With Comprehensive, Evidence-Based Clinical Criteria

The InterQual Criteria portfolio offers comprehensive clinical decision support designed to strengthen patient outcomes and reinforce appropriate utilization by providing access to evidence-based clinical criteria. Detailed decision support is delivered across the continuum of care through specialized modules organized into four content suites.

### InterQual Criteria Portfolio

|  Level of Care |  Behavioral Health |  Ambulatory Care Planning |  Powered by InterQual |
|-------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
| Acute Adult                                                                                     | Adult and Geriatric Psychiatry                                                                      | Procedures                                                                                                 | Medicare Procedures                                                                                     |
| Acute Pediatric                                                                                 | Child and Adolescent Psychiatry                                                                     | Imaging                                                                                                    | Medicare Imaging                                                                                        |
| Long-Term Acute Care                                                                            | Substance Use Disorders                                                                             | Durable Medical Equipment                                                                                  | Medicare Durable Medical Equipment                                                                      |
| Inpatient Rehabilitation                                                                        | Behavioral Health Services                                                                          | Molecular Diagnostics                                                                                      | Medicare Molecular Diagnostics and Lab                                                                  |
| Subacute and Skilled Nursing                                                                    |                                                                                                     | Specialty Rx Oncology                                                                                      | Medicare Pharmacy                                                                                       |
| Home Care                                                                                       |                                                                                                     | Specialty Rx Non-Oncology                                                                                  | Medicare Behavioral Health                                                                              |

### Customize Your Criteria

InterQual Customize is a content creation and editing solution that lets you author your own care management guidelines or customize existing InterQual Criteria to meet your organization's unique medical and business needs.

Custom policies can be published alongside the InterQual Criteria to create a single workflow within your utilization management solution. Cloud-based InterQual delivery platforms give providers seamless access to your customized policies and criteria.

This capability helps reduce the administrative burden for both payers and providers, and improves collaboration by increasing care criteria transparency.

Change Healthcare also offers customization services. Clinical and product experts can execute your custom medical policies within your InterQual workflow, providing product expertise and saving your organization time.

### Clinical Integrity

The clinical criteria populating each module are updated at least once annually and are produced through a rigorous process grounded in the principles of evidence-based medicine. Criteria development is conducted by a clinical team that includes physicians, registered nurses, and allied health professionals. The team relies on systematic, critical appraisal of the medical literature using elements of the Grading of Recommendations, Assessment, Development and Evaluation (GRADE) approach. Draft criteria are subjected to systematic scrutiny by our InterQual Clinical Review Panel of more than 1,000 independent, multidisciplinary experts.

## 2014 Interqual Guidelines:

**Medical Quality Management** Angelo P. Giardino, Lee Ann Riesenber, Prathibha Varkey, 2020-08-31 This comprehensive medical textbook is a compendium of the latest information on healthcare quality. The text provides knowledge about the theory and practical applications for each of the core areas that comprise the field of medical quality management as well as insight and essential briefings on the impact of new healthcare technologies and innovations on medical quality and improvement. The third edition provides significant new content related to medical quality management and quality improvement, a user-friendly format, case studies, and updated learning objectives. This textbook also serves as source material for the American Board of Medical Quality in the development of its core curriculum and certification examinations. Each chapter is designed for a review of the essential background, precepts, and exemplary practices within the topical area: Basics of Quality Improvement, Data Analytics for the Improvement of Healthcare Quality, Utilization Management, Case Management, and Care Coordination, Economics and Finance in Medical Quality Management, External Quality Improvement, Accreditation, Certification, and Education, The Interface Between Quality Improvement and Law, Ethics, and Quality Improvement. With the new edition of *Medical Quality Management: Theory and Practice*, the American College of Medical Quality presents the experience and expertise of its contributors to provide the background necessary for healthcare professionals to assume the responsibilities of medical quality management in healthcare institutions, provide physicians in all medical specialties with a core body of knowledge related to medical quality management, and serve as a necessary guide for healthcare administrators and executives, academics, directors, medical and nursing students and residents, and physicians and other health practitioners. *Geriatric Emergencies, An Issue of Emergency Medicine Clinics of North America, E-Book* Brendan G. Magauran Jr., Kalpana N. Shankar, Joseph H. Kahn, 2016-08-12 This issue of *Emergency Medicine Clinics* focuses on Geriatric Emergencies. Articles include: Recent Trends in Geriatric Emergency Medicine, Resuscitation of the Elderly, Pharmacology in the Geriatric Patient, Trauma and Falls in the Elderly, Sepsis and Infectious Emergencies in the Elderly, Evaluation of the Geriatric Patient with Chest Pain, Evaluation of Dyspnea in the Elderly, Abdominal Pain in the Geriatric Patient, Neurologic Emergencies in the Elderly, Evaluation of Syncope, Altered Mental Status, and Delirium, and more.

*Principles and Practices in Augmentative and Alternative Communication* Donald Fuller, Lyle Lloyd, 2024-06-01 A definitive textbook for students in speech language pathology, audiology, and communication sciences and disorders. *Principles and Practices in Augmentative and Alternative Communication* offers students an introduction to augmentative and alternative communication (AAC) and prepares them for working with clients with complex communication needs. Editors Drs. Donald R. Fuller and Lyle L. Lloyd and their contributors provide a foundation for the development of assessment and intervention procedures and practices within the framework of the communication model and its major components: the means to represent, the means to select, and the means to transmit. *Principles and Practices in Augmentative and Alternative*

Communication consists of five major units An introduction to AAC from its history to current practice An overview of AAC symbols and a comprehensive discussion of aided and unaided symbols A review of AAC technology The components of AAC assessment principles vocabulary symbol selection and the prescription of AAC technology AAC intervention everything from the components of the intervention process to examples from specific cases and settings Included with the text are online supplemental materials for faculty use in the classroom Students and professionals looking for a foundational textbook in the field of AAC will find *Principles and Practices in Augmentative and Alternative Communication* to be effective contemporary and practical *Health Care Management and the Law* Hammaker, Thomas M. Knadig, 2017-03-02 *Health Care Management and the Law* 2nd Edition is a comprehensive practical health law text relevant to students seeking the basic management skills required to work in health care organizations as well as students currently working in health care organizations This text is also relevant to those general health care consumers who are simply attempting to navigate the complex American health care system Every attempt is made within the text to support health law and management theory with practical applications to current issues *Textbook of Community Psychiatry* Wesley E. Sowers, Hunter L. McQuiston, Jules M. Ranz, Jacqueline Maus Feldman, Patrick S. Runnels, 2022-10-17 The second edition of the AACP's American Association for Community Psychiatry *Textbook of Community Psychiatry* is a welcome update of this notable work that comprehensively presents the state of the art in this field Along with continuously evolving scientific advances and principles of clinical care community psychiatry must respond to shifts in public policy as well as economic climate The past decade has witnessed significant political and social changes including climate change immigration levels technological advancement the influence of social media and the rise of political unrest This new edition reflects these wider changes incorporating new chapters and enhancing previous ones It remains the standard text for certification of those working in healthcare and social welfare systems design and delivery of services Readers will gain knowledge of Basic pillars of the field Evidence based interventions Telepsychiatry and technological aids Trauma informed services Integrated health systems Social determinants of health Structural discrimination [Introduction to Quality and Safety Education for Nurses](#) Carolyn Christie-McAuliffe, PhD, FNP, 2014-03-14 Print CourseSmart **Short Stay Management of Atrial Fibrillation** W.
