ICGR 2022 5th International Conference on Gender Research Elisabeth Pereira, Carlos Costa, Zélia Breda, 2022-04-28

Routledge Handbook of Food Waste Christian Reynolds, Tammara Soma, Charlotte Spring, Jordon Lazell, 2020-01-13 This comprehensive handbook represents a definitive state of the current art and science of food waste from multiple perspectives. The issue of food waste has emerged in recent years as a major global problem. Recent research has enabled greater understanding and measurement of loss and waste throughout food supply chains, shedding light on contributing factors and practical solutions. This book includes perspectives and disciplines ranging from agriculture, food science, industrial ecology, history, economics, consumer behaviour, geography, theology, planning, sociology, and environmental policy, among others. The *Routledge Handbook of Food Waste* addresses new and ongoing debates around systemic causes and solutions, including behaviour change, social innovation, new technologies, spirituality, redistribution, animal feed, and activism. The chapters describe and evaluate country case studies, waste management, treatment, prevention, and reduction approaches, and compares research methodologies for better understanding food wastage. This book is essential reading for the growing number of food waste scholars, practitioners, and policy makers interested in researching, theorising, debating, and solving the multifaceted phenomenon of food waste.

Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth Palma-Ruiz, Jesús Manuel, Saiz-Álvarez, José Manuel, Herrero-Crespo, Ángel, 2019-12-27 With the rise of information and communication technologies in today's world, many regions have begun to adapt into more resource-efficient communities. Integrating technology into a region's use of resources, also known as smart territories, is becoming a trending topic of research. Understanding the relationship between these innovative techniques and how they impact social innovation is vital when analyzing the sustainable growth of highly populated regions. The *Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth* is a pivotal reference source that provides vital research on the global practices and initiatives of smart territories, as well as their impact on sustainable development in different communities. While highlighting topics such as waste management, social innovation, and digital optimization, this publication is ideally designed for civil engineers, urban planners, policymakers, economists, administrators, social scientists, business executives, researchers, educators, and students seeking current research on the development of smart territories and entrepreneurship in various environments.

The African National Congress and the Regeneration of Political Power Susan Booysen, 2011-11-11 The African National Congress is light years beyond the liberation movement of old. It remains a juggernaut, but its control and dominance are no longer watertight. The ANC lives the contradictions of weaknesses, cracks, and factions while retaining its colossal status. As a party movement, it draws on its liberation credentials and extracts immense power from its deep anchorage in South Africa's people. It is immersed in electoral politics that marks the state of its overwhelming power cyclically. As government, the ANC is the object of protest.

but not protest designed to bring the ruling party to its knees The ANC is in command of the state yet fails to definitively counter the deficits that make South Africa's democracy seem so diluted Its incredulous and thus far trusting supporters condemn but only rarely punish deployees who do not pass through the eye of the needle The ANC and the Regeneration of Political Power unpacks these contradictions It focuses on four faces of the ANC's political power the organisation the people political parties and elections and policy and government and explores how the ANC has acted since 1994 to continuously regenerate its power By 2011-12 the power configurations around the ANC were converging to a conjuncture holding vexing uncertainties This book presents insights into how South African politics in many ways synonymous with the politics of the ANC is likely to unfold in years and possibly decades to come The Politics of the Right Leo Panitch, Greg Albo, 2015-12-22 Today the Left faces new challenges from political forces amassing on the radical right The 52nd volume of the Socialist Register presents a serious calibration and a careful political mapping of these forces It addresses pivotal questions on the reordering of the new right These essays very broad in terms of themes and places speak to the global challenges the new right poses for the left at this historical moment What is the nature of the right's populism nationalism and militarism What is the social base and organizational strength and range of far right political forces To what extent are they influencing mainstream parties and opinion How have they penetrated state institutions What role do state security services and police forces play Does our political situation today require comparison with 1930s Fascism How should the left respond to defend democratic and human rights **Gender and Identity around the World** Chuck Stewart, 2020-11-09 This book provides an indispensable resource for high school and college students interested in the history and current status of gender identity formation and maintenance and how it impacts LGBTQ rights throughout the world Gender and Identity around the World explores a variety of gender and LGBTQ experiences and issues in countries from all the world's regions Guided by more than 50 recognized academic experts readers will examine how gender and LGBTQ identities are developed fought for perceived and policed in countries as diverse as France Brazil Russia Jordan Iraq and China Each chapter opens with a general introduction to a country or group of countries and flows into a discussion of gender and identity in terms of culture education family life health and wellness law work and activism in that region of the world A section on contemporary issues specific to the country or group of countries follows this discussion **Business Studies**, 2002 *Cambridge Preliminary Business Studies Toolkit* Tim Williams, Tony Nader, Marianne Hickey, 2011-04 Cambridge Preliminary Business Studies 2nd Edition Cambridge Preliminary Business Studies Second edition provides up to date accessible and comprehensive coverage of the new NSW Stage 6 Business Studies syllabus to develop the knowledge skills and confidence needed for success Dot Point Business Studies Prelim Revised Mohan Dhall, Science Press, 2013 In this book you will find typical examination questions and answers for each dot point in the Board of Studies syllabus for the following topics in the Year 12 Business Studies course Operations Marketing Finance and Human Resources **Preliminary Examination Paper 3** Association of
