

If we act together, on these principles, as public representatives, civil servants, business people, youth, workers and citizens, we can overcome the challenges of tough economic times and difficult adjustments.

In acting together we can address declining confidence and the retreat of capital, and we can combat emerging patterns of predatory behaviour and corruption.

We are conscious of the difficulties we face. Our resilience as a nation, black and white, can propel us to a better future if we make the right choices.

Honourable Speaker, I hereby table before the House:

- The 2016 Budget Speech,
- The 2016 Budget Review, including
 - The fiscal framework,
 - The revenue proposals, customs and excise duties and estimates of national revenue, and
 - Our responses to the Budgetary Review and Recommendation Reports,
- The Division of Revenue Bill,
- The Appropriation Bill, and
- The Estimates of National Expenditure.

In addition, I am introducing the Revenue Laws Amendment Bill 2016 to adjust certain provisions regarding to retirement funds, and related matters.

These are our budget proposals, and I look forward to further engagement through the Parliamentary budget process.

Datt Gaurav & Mahajan Ashwani

2015 2016 Budget Speech:

Transformative Speeches of Governor Nyesom Ezenwo Wike Ayebaesin Beredugo,2025-11-03 But thank goodness Rivers State has just been relieved of the most decadent administration in history which frittered public resources sold the State s valuable assets to cronies increased the debt burden and crippled the State s economy Governor Nyesom Ezenwo Wike As Justice Learned Hand rightly observed If we are to keep democracy there must be a commandment thou shall not ration justice Today the people of Rivers State are beneficiaries of justice in its proper measure We salute the courage and determination of the Supreme Court of Nigeria to uphold the Constitution of the Federal Republic of Nigeria and the rule of law in our democracy Governor Nyesom Ezenwo Wike We are celebrating political or flag independence But the need to deliver economic freedom to our country remains the most significant challenge before all of us Therefore on this historic day we should pledge to rededicate our lives to build a united inclusive and prosperous nation where justice peace and the rule of law shall reign supreme We are resilient and highly creative We can easily overcome our economic predicaments if we all work together with patriotism towards building trust and finding realistic solutions to the challenges buffeting the nation Governor Nyesom Ezenwo Wike As Rivers people we are proud of our contributions to the unity and progress of the Nigerian nation We remain committed to preserving the unity and indivisibility of Nigeria All that we ask in return is justice mutual respect and adequate recompenses for our contributions and sacrifice to the economic and social progress of the country Governor Nyesom Ezenwo Wike Isaac Newton once said If I have seen further than others it is by standing upon the shoulders of giants It is therefore essential to acknowledge that whatever heights I have attained and my contributions to my State our nation and humanity it is because people inspired me believed in me gave me opportunities and supported me along this journey in diverse ways Governor Nyesom Ezenwo Wike We cannot continue to live in sin or tolerate the devil s evil ways and expect God s grace to flourish and prosper our lands Therefore we pray that the Church reflect on the social malaise affecting our country re direct its efforts towards transforming our people s lives minds and attitudes unto righteousness and restore our society s moral and religious foundations for good Governor Nyesom Ezenwo Wike *The Report: Trinidad & Tobago 2016* Oxford Business Group,2016-08-07 In its March 2016 Economic Bulletin the Central Bank of T T stated that after negative growth of 1% in 2014 T T s economy contracted by a further 2.1% in 2015 as per provisional data Meanwhile government revenue fell by 6.2% in FY 2014 15 with a 35% decline in energy collections outstripping increases in non energy and capital receipts Nonetheless the recessionary environment is not without opportunity for the country s new leadership As the Government of Keith Rowley which assumed office in September 2015 works to bring government spending under control policies aimed at economic diversification could be set to gain further traction Moreover given that T T has a safety buffer in the form of strong foreign currency reserves and a sovereign wealth fund there is a relatively room to manoeuvre Sustainability Awareness and Green Information Technologies Tomayess Issa,Theodora

Indian Economy, 72nd Edition Datt Gaurav & Mahajan Ashwani,2018 This book presents a comprehensive survey of the Indian Economy in terms of GDP growth savings investment and developments in various sectors such as agriculture industry and services A contradiction observed in India is that while the reform process has resulted in boosting GDP growth it has failed to yield acceleration in the process of poverty reduction and growth of employment **Austerity Politics and UK Economic Policy** Craig Berry,2016-05-31 Craig Berry assesses UK economic policy in the wake of the financial crisis through the lens of the austerity agenda focusing on monetary policy economic rebalancing industrial and regional policy the labour market welfare reform and budgetary management He argues that austerity is geared towards a resurrection of financialisation and the UK's pre crisis economic model through the transformation of individual behaviour and demonisation of the state Cutting public spending and debt in the short term is at most a secondary concern for the UK policy elite However the underlying purpose of austerity is frequently misunderstood due to its conflation with a narrow deficit reduction agenda not least by its Keynesian critics Berry also demonstrates how austerity has effectively dismantled the prospect of a centre left alternative to neoliberalism *Drugs, Patents and Policy* Bryan Mercurio,2018-06-28 A comprehensive review of Hong Kong's pharmaceutical patent law that will influence debate and inform public policy Negotiating Universalism in India and Latin America Andres Mejia-Acosta,Louise Tillin,2021-06-15 This book explores how vertical inter governmental political and fiscal bargains and horizontal variation in political social and economic conditions across regions contribute to or undermine the provision of inclusive and sustainable social policies at the subnational level in Latin America and India The question of how to advance universal social rights while reducing territorial inequalities has been a central dilemma for Latin America and India After several decades of ambitious decentralization reforms in both regions the balance between local accountability versus centralized planning remains a theoretical and empirical problem in need of systematic exploration The chapters in this volume incorporate both federal and decentralized unitary states pointing to common political tensions across unitary and federal settings despite the typically greater institutionalization of regional autonomy in federal countries

The contributors examine the territorial dimension of universalism and explore in greater and empirical detail the causal links between fiscal transfers social policies and outcomes and highlight the political dynamics that shape fiscal decentralization reforms and the welfare state The chapters in this book were originally published as a special issue of Regional Federal Studies Sub-Saharan Africa Ms.Janet Gale Stotsky,Ms.Lisa Kolovich,Suhaib Kebhaj,2016-07-28 Gender budgeting is an initiative to use fiscal policy and administration to address gender inequality and women s advancement A large number of sub Saharan African countries have adopted gender budgeting Two countries that have achieved notable success in their efforts are Uganda and Rwanda both of which have integrated gender oriented goals into budget policies programs and processes in fundamental ways Other countries have made more limited progress in introducing gender budgeting into their budget making Leadership by the ministry of finance is critical for enduring effects although nongovernmental organizations and parliamentary bodies in sub Saharan Africa play an essential role in advocating for gender budgeting Public Finance, 30th Edition H L Bhatia, Public Finance continues in its stride in presenting the latest information on Indian budget Over two generations it has virtually become an encyclopedia on all financial matters of the Government of India serving as a textbook for students teachers and the general public and a reference volume for researchers and others It is equally useful for competitive examinations conducted by various professional and employment providing bodies It covers the UGC CBCS syllabus and the syllabi of many Indian universities for honours postgraduate and professional courses The book follows a logical and systematic approach Thus it is divided into two parts Part I provides an analytical and comprehensive discussion of both the basics and frontiers of the theory of public finance Part II covers the set up issues and working of Indian fiscal field mounted upon the theoretical underpinnings and international practices and experience The illustrations are drawn mainly from the Indian scene with a cross reference to international experience The book uses all the modern day tools of pedagogy like Learning Objectives Key Terms Summary Review Questions and Exercises **Minerals Yearbook** Mines Bureau,Geological Survey,Interior Department,2018-04-19 This edition of the U S Geological Survey USGS Minerals Yearbook discusses the performance of the worldwide minerals and materials industries during year 2013 and provides background information to assist in interpreting that performance These annual reviews are designed to provide timely statistical data on mineral commodities in various countries This volume covers data from Asia and the Pacific Each report includes sections on government policies and programs environmental issues trade and production data industry structure and ownership commodity sector developments infrastructure and a summary outlook Audience Government employees and contractors as well as businesses and employees all working in mineral related trades especially with interests in statistics about mineral commodities overseas will find this resource invaluable
