2015 Daily Journal and Planner - ERIC LightSide LightSide,2014-10-22 As functional as it is unique our 2015 Daily Journal Planner is a powerful tool ready and able to help you manage and accomplish the many tasks and responsibilities of your daily life This generously sized book is personalized and contains dated entries for each day of 2015 allowing 15 lines of space for writing each day two days per page Full page calendars for both 2015 and 2016 are provided for viewing the years at a glance Full page calendars are also included for each of the twelve months in 2015 with space for writing your own special dates For each month a page for goals financial matters and notes is provided making it your life s organizer Perfect for use as a journal or daily planner for tracking goals work hours vehicle mileage tasks purchases diet weight loss or any of the other things that fill each of your days 218 pages 8 5 x 11 The Routledge Handbook of Architecture, Urban Space and Politics, Volume I Nikolina Bobic,Farzaneh Haghighi,2022-10-28 For architecture and urban space to have relevance in the 21st Century we cannot merely reignite the approaches of thought and design that were operative in the last century This is despite or because of the nexus between politics and space often being theorized as a representation or by product of politics As a symbol or an effect the spatial dimension is depoliticized Consequently architecture and the urban are halted from fostering any systematic change as they are secondary to the event and therefore incapable of performing any political role This handbook explores how architecture and urban space can unsettle the unquestioned construct of the spatial politics of governing Considering both ongoing and unprecedented global problems from violence and urban warfare the refugee crisis borderization detention camps terrorist attacks to capitalist urbanization inequity social unrest and climate change this handbook provides a comprehensive and multidisciplinary research focused on the complex nexus of politics architecture and urban space Volume I starts by pointing out the need to explore the politics of spatialization to make sense of the operational nature of spatial oppression in contemporary times The operative and active political reading of space is disseminated through five thematics Violence and War Machines Security and Borders Race Identity and Ideology Spectacle and the Screen and Mapping Landscapes and Big Data This first volume of the handbook frames cutting edge contemporary debates and presents studies of actual theories and projects that address spatial politics This Handbook will be of interest to anyone seeking to meaningfully disrupt the reduction of space to an oppressive or neutral backdrop of political realities Chapters 1 and 23 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4 0 license **People, Planet, and Progress Beyond 2015** ,2016-12-15 Second in the series of TERI s annual flagship publication on global sustainable development People Planet and Progress Beyond 2015 examines six critical issues of the Planet climate change ozone layer depletion loss of biodiversity desertification unsustainable use of natural resources and environmental pollution and six crucial issues of the People food security and safety health and well being education and learning sustainable habitat energy for all and social justice and equity reviews the Progress made by

various regions and countries of the world on each of these issues and analyses the challenges and opportunities ahead particularly in the contexts of post 2015 global development agendas ushered by the Paris Climate Agreement UN Sustainable Development Goals and Sendai Framework for Disaster Risk Reduction The analysis is supported by primary data from authentic sources on a wide range of indicators that make the volume an invaluable resource material on contemporary discourses on global development

Dollarlogic Andy Martin, 2025-09-12 Risk does not equal reward This is the proprietary thesis of Dollarlogic and what separates Martin's message from the rest of the buy buy buy investment industry Risk does not equal reward in relationships behind the wheel of a car or in any other aspect of life so why should it in the highly varied and sophisticated world of investing In Dollarlogic Wall Street veteran Andy Martin explains what risk really is why stocks are actually less risky than bonds and why predicting yourself is more important than predicting the stock market The new investment philosophy of Dollarlogic will show you how and why to make the important changes in your investing habits that could make a meaningful difference in your life and legacy Although it may be true that money can't buy happiness it can buy just about everything else In this practical and readable book you'll learn The four types of investors and how to become the right one How losing less is better than winning more How to stop chasing returns and start chasing and winning odds Why a higher return investment can actually make you less money Why your no load fund could be much more expensive than you think

The Comprehensive Autism Planning System (CAPS) Shawn Henry, Brenda Smith Myles, 2024-08-06 The Comprehensive Autism Planning System for Individuals CAPS is a reflection of its creator In his role as a state and national leader Shawn Henry serves as an advocate for autistic individuals Shawn and co author Brenda Smith Myles clearly describe each element of the CAPS model in a well organized text Throughout the book the authors and expert contributors highlight a variety of evidence based strategies that correspond to each area of the CAPS The CAPS model illustrates their ability to create meaningful change through realistic and practical means It's a simple yet powerful system This innovative approach helps teachers and educational teams plan and implement a student's education across the school including the Individualized Education Program IEP and the curriculum relevant to the student It takes the team through the process of planning out the goals objectives to be targeted in each activity of the day the modifications and accommodations that should be provided to support the student in each activity the sensory supports needed to help the student stay engaged and the communication and social supports for successful learning It shows the type of data to collect for each area and helps to note what reinforcers have been shown to be successful While this system was developed for use with individuals on the autism spectrum it can also be an essential tool for any student regardless of the types of supports and needs they have There are also vocational and transitional formats that are available for students making the transition to work The CAPS has been updated to address current trends in special education instruction and research In this edition emphasis is placed on Inclusion Successful practices that support learning for autistic students Updated evidence based practices and case studies
