The Literary World, 1897 **Understanding and Teaching the Vietnam War** John Day Tully, Matthew Masur, Brad Austin, 2013-10-07 Part One Reflections on Teaching the Vietnam War Part Two Methods and Sources Part Three Understanding and Teaching Specific Content Catalogue of English Prose Fiction and Juvenile Books in the Chicago Public Library Chicago Public Library, 1898 **Justifying War** D. Welch, J. Fox, 2012-05-31 A new assessment of the debates about Just War in the twentieth and twenty-first centuries from the imperial wars of the nineteenth century through the age of total war, the evolution of human rights discourse and international law to proportionality during the Cold War and the redefinition of authority with the ascendancy of terror groups *A Catalogue of the Best Books in Every Department of Literature* Burrows Brothers Company, Cleveland, 1899 **A Woman in a Man's World** Norma Winter, 2008 In 1977 when author Dr. Norma L. Winter overcame the adversities of her youth and became the only female high school principal in the state of West Virginia, less than three percent of the school administrators in the United States were women. In *A Woman in a Man's World*, she shares her professional journey into school administration during a time when gender differences among administrators were obvious and roadblocks to success were copious. In this memoir, Winter describes a personal and inspirational triumph over hardship and she includes meaningful contributions to the study of contrasts between the careers of male and female school administrators. She tells a story about her nontraditional and unconventional life in which she beat the odds both personally and professionally. In the end, she reflects she may have been happiest when she was a woman in a man's world. Praise for *A Woman in a Man's World*: Winter's book is an inspirational resource. Kirkus Review: A treasure trove of historical and practical information. Clarion Review: Winter's tale reads as a powerful model of ambition and drive. Blue Ink Review: American War Stories Brenda M. Boyle, 2020-11-13 *American War Stories* asks readers to contemplate what traditionally constitutes a war story and how that constitution obscures the normalization of militarism in American culture. The book claims the traditionally narrow scope of war story as by a combatant about his wartime experience, compartmentalizes war, casting armed violence as distinct from everyday American life. Broadening war story beyond the specific genres of war narratives such as war films, war fiction, or war memoirs, *American War Stories* exposes how ingrained militarism is in everyday American life, a condition that challenges the very democratic principles the United States is touted as exemplifying.

Vietnam War Stories Tobey C. Herzog, 2017-01-27 Dealing with ten key narratives including novels and personal accounts, Herzog locates them in the tradition of war literature as well as recent cinema and charts the transformations of the American nation in its experience of modern war.

Secondary Heroines in Nineteenth-Century

British and American Novels Jennifer Camden,2016-04-01 Taking up works by Samuel Richardson James Fenimore Cooper Sir Walter Scott and Catharine Maria Sedgwick among others Jennifer B Camden examines the role of female characters who while embodying the qualities associated with heroines fail to achieve this status in the story These secondary heroines often the friend or sister of the primary heroine typically disappear from the action of the novel as the courtship plot progresses only to return near the conclusion of the action with renewed demands on the reader s attention Accounting for this persistent pattern Camden suggests reveals the cultural work performed by these unusual figures in the early history of the novel Because she is often a far more vivid character than the heroine of the marriage plot the secondary heroine inevitably engages the reader s interest in her plight That the narrative apparently seeks to suppress her creates tension and points to the secondary heroine as a site of contested identity who represents an ideology of womanhood and nationhood at odds with the national ideals represented by the primary heroine whom the reader is asked to embrace In showing how the anxiety produced by these ideals is displaced onto the secondary heroine Camden s study represents an important intervention into the ways in which early novels use character to further ideologies of race class sex and gender *Children and Youth on the Front Line* Jo Boyden,Joanna de Berry,2005 This series reflects the multidisciplinary nature of the field and includes within its scope international law anthropology medicine geopolitics social psychology and economics **World War II at Sea** Craig L. Symonds,2018 Craig L Symonds World War II at Sea offers a definitive naval history of the Second World War presenting the chronology of the naval war from The London Conference of 1930 to the surrender in Tokyo Bay in 1945 on a global scale for the first time **Race, Empire and First World War Writing** Santanu Das,2011-04-28 This volume brings together an international cast of scholars from a variety of fields to examine the racial and colonial aspects of the First World War and show how issues of race and empire shaped its literature and culture The global nature of the First World War is fast becoming the focus of intense enquiry This book analyses European discourses about colonial participation and recovers the war experience of different racial ethnic and national groups including the Chinese Vietnamese Indians Maori West Africans and Jamaicans It also investigates testimonial and literary writings from war diaries and nursing memoirs to Irish New Zealand and African American literature and analyses processes of memory and commemoration in the former colonies and dominions Drawing upon archival literary and visual material the book provides a compelling account of the conflict s reverberations in Europe and its empires and reclaims the multiracial dimensions of war memory *Military Review* ,2005
