Slave to Submission Kitty Jordan, As the whip continued to rain down upon their reddened flesh Clara's body trembled with a potent cocktail of fear and desire The sensation of her bottom smarting under Sebastian's expert ministrations was unlike anything she had ever experienced yet it left her wanting more With every strike her gaze was drawn towards Sophia who seemed to be lost in a world of ecstasy Kiss Sebastian commanded suddenly his voice firm yet tinged with a hint of arousal Clara locked eyes with Sophia her heart pounding against her ribcage as if attempting to break free Hesitantly she leaned in her lips brushing against Sophia's for the briefest moment before they both surrendered to the undeniable pull between them Their mouths melded together with a passion that belied Clara's inexperience tongues dancing and exploring with wild abandon It was an awakening for Clara the sensation of kissing another woman for the first time enflaming her senses like never before Clara never meant to fall for her lecturer but there was something about Sebastian's quiet authority that drew her in from the start One stolen glance turned into a dangerous invitation and soon she found herself surrendering to a man who demanded not just her body but her complete obedience Under his control Clara is pushed to the edge of pleasure and pain discovering desires she never knew existed Every command every whispered order sends her deeper into a world where restraint is a gift and surrender feels like freedom But Sebastian has plans that go beyond seduction When he takes their relationship to the next level Clara must decide just how far she's willing to go and what she's willing to lose for the man who makes her tremble with need Raw sensual and utterly addictive *Slave to Submission* is a journey into dominance desire and the exquisite power of surrender Give in Obey And let pleasure take control

Iconoclastic Departures Mary Wollstonecraft Shelley, 1997 *Iconoclastic Departures* contributes to the ongoing reevaluation of Mary Shelley as a professional author in her own right with a lifelong commitment to the development of her

craft Many of its essays acknowledge the importance of her family to her work the steady theme of much earlier scholarship but for them the family has become an imperative socio psychological context within which to better understand her innovations in the many literary forms she worked with during her career journals letters travelogues biographies poems dramas tales and novels The book s essays also convey the conviction that even if Mary Shelley after Percy Shelley s death gradually retired from public life as his relatives wished she retained a resiliently resistant attitude toward many of the established orders of her day easily recovered by a careful look beyond her feelings to the productions of her literary imagination The Mary Shelley who inhabits this three part collection of portraits is a radical even if a quiet radical Part 1 focuses on various moments in her construction of her authorial identity parts 2 and 3 anatomize the nature of her resistance and her innovation She is presented as a writer who reappropriates authority for herself who redesigns genres who redefines gender who rewrites history and biography who revises her readers aesthetic expectations and who protests cultural imperialism at home and abroad It seems significant to the contributors to this volume that this new radical Mary Shelley was not invented by a pointed call for papers but emerged spontaneously from an open invitation to scholars working in various corners of the English speaking world

A Pleasure Slave Manuel García, 2025-06-29 In *A Pleasure Slave* Manuel Garc a strips gay eroticism to its raw essence no artifice no romance just men and desire These are stories of flesh and friction of rough hands and rougher truths where power isn t asked for but taken and the unspoken carries more weight than words ever could The title story is set in the concrete sprawl of a Southern European city where markets bustle and windows overlook lives on the move Inside behind the glass Paul rules his private kingdom with the quiet authority of a man who knows what he wants His lover caught between obedience and thrill learns that submission can take many forms and that wearing lace doesn t make you less of a man only more exposed He stood at the window robe half open watching the crowds below while the last traces of him dried on my skin I was sore still aching still hard The thong the orders the collar all of it lingered Even as I dressed like a man again the echo of his voice stayed on me like a scent That night when I slipped into the schoolgirl outfit and waited I wasn t afraid I was lit from within by a hunger I didn t fully understand These are not stories of love They are stories of domination consent lust and fire the kind that flickers between two men when one dares to say Tonight you re mine

The Bible Says So! Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action *The Bible Says So* examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars *The Bible Says So* explores the original intentions of the biblical writers in their particular context and

examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today A House Built on Sand Noretta Koertge,1998 Cultural critics say that science is politics by other means arguing that the results of scientific inquiry are profoundly shaped by the ideological agendas of powerful elites They base their claims on historical case studies purporting to show the systematic intrusion of sexist racist capitalist colonialist and or professional interests into the very content of science In this hard hitting collection of essays contributors offer crisp and detailed critiques of case studies offered by the cultural critics as evidence that scientific results tell us more about social context than they do about the natural world Pulling no punches they identify numerous crude factual blunders e g that Newton never performed any experiments and egregious errors of omission such as the attempt to explain the slow development of fluid dynamics solely in terms of gender bias Where there are positive aspects of a flawed account or something to be learned from it they do not hesitate to say so Their target is shoddy scholarship Comprising new essays by distinguished scholars of history philosophy and science this book raises a lively debate to a new level of seriousness *The Golden Ass* Apuleius,2007-09-15 Relihan uses alliteration and assonance rhythm and rhyme the occasional archaism the rare neologism and devices of punctuation and typography to create a sparkling luxurious and readable translation that reproduces something of the linguistic and comic effects of the original Latin The general Introduction is a masterpiece of clarity orienting the reader in matters of authorship narration genre religion structure and style A generous and browsable index select bibliography and maps are included **Revolution - Sex,Gender and Spirituality - Love Set Free** Richard Bruvoll Jr.,2024-04-25 Did you know that religion whether you re religious or not is the single topic that has had the most profound impact on the species of human beings David Fontana Reading this book you will be reminded of the human madness and frequently evil attitudes and actions throughout recorded history Much of it probably unknown to many of you Our time s narratives have become cultural truths as so many times before in our history I would recommend that you read about key conceptual explanations and models in Part I before embarking on the journey through this dramatic history of humanity Disclaimer This book is not recommended for people with high blood pressure especially if you are an extreme left wing Darwinist or an extreme right wing Abrahamist You ve hereby been warned Have a good read and learning experience Especially the NDE s Life review stage or more precisely The Life relive stage as the psychologist and researcher Kenneth Ring puts it This stage resembles both Dante s inferno and the biblical purgatory but with a very interesting twist to it This stage is also the route to go in order to prevent aggressive behavior on all levels The NDE Code connecting the dots Richard Bruvoll Jr Blokus Denmark July 2020 Obedient Collection of 150 Taboo Erotic Sexy Short Hot Stories for Adult Readers Katherine Hawkins,2020-09-22 150 MOUTH WATERING STORIES OF HOT EXPLICIT SEX WITH ALL THE TABOO FUN YOU COULD EVER WANT If you need it hot dirty and filled with all those encounters featuring forbidden women you d best crack this baby wide open right now Keywords short sex stories erotica short stories free erotica books older man younger woman

The Marquis de Sade and the Avant-Garde Alyce Mahon, 2020-05-26 This is the first book to examine the cultural history of Marquis de Sade's 1740-1814 philosophical ideas and their lasting influence on political and artistic debates. An icon of free expression, Sade lived through France's Reign of Terror, and his writings offer both a pitiless mirror on humanity and a series of subversive metaphors that allow for the exploration of political, sexual, and psychological terror. Generations of avant-garde writers and artists have responded to Sade's philosophy as a means of liberation and as a radical engagement with social politics and sexual desire. Writing fiction modelled on Sade's novels, illustrating luxury editions of his works, and translating his ideas into film, photography, and painting, in *The Sadean Imagination* Alyce Mahon examines how Sade used images and texts as forms that could explore and dramatize the concept of terror on political, physical, and psychic levels, and how avant-garde artists have continued to engage in a complex dialogue with his works. Studying Sade's influence on art from the French Revolution through the twentieth century, Mahon examines works ranging from Anne Desclos's *The Story of O* to images, texts, and films by Man Ray, Pier Paolo Pasolini, Guillaume Apollinaire, Jean Jacques Lebel, and Peter Brook. She also discusses writings and responses to Sade by feminist theorists including Angela Carter and Judith Butler. Throughout, she shows how Sade's work challenged traditional artistic expectations and pushed the boundaries of the body and the body politic, inspiring future artists, writers, and filmmakers to imagine and portray the unthinkable.

Who Am I? Miguel Angel Gonzalez-Torres, 2024-10-17 Identity as a concept does not appear in psychoanalysis until the work of Erik Erikson in the 1950s, but today it is considered a key factor in understanding individuals and groups. It is a concept of enormous complexity encompassing biological aspects, internalised object representations that determine the inner world of the subject, and relational aspects in the real world. Answering the question 'Who am I really?' is a task that can span a lifetime. Constructing one's own identity involves social, cognitive, rational, and unconscious processes. These elements underpin the answer to this question and its corollary: 'What is my value?' As we move from looking at individuals in isolation to looking at groups, we are also confronted with processes of identity construction and repair. This time, group identities through movements in which sexuality and its expression in the group play a major role. This volume begins by exploring how issues of identity underlie

many of the phenomena that attract our attention today both as clinicians and as citizens. It opens with social and political phenomena such as nationalism where identity issues are most evident and then looks at individual nations such as Spain and their difficulty in maintaining a valuable identity shared by its citizens. This is followed by an analysis of some aspects of social violence and the response to it, electoral processes and the manipulation of citizens and also the impact on personal and group identity of the contemporary dynamics in large corporations where double speak and the infantilisation of employees have become commonplace. In the second part Miguel Angel Gonzalez Torres reflects on how we can understand the sexual functioning of individuals and groups from an identity perspective emphasising the role of female sexuality as a sentinel element that signals deep group identity dynamics. Gender identities and the social response to new proposals and attitudes in this area, the contrast between desire and submission and the under explored complexity of the father's role in the contemporary family unit also require a look at the role of individual and collective identity. Finally the focus is on artistic creation. Mythical authors and mythical works always have an impact on personal and even social identity. Many cinematographic works presuppose that the authors are searching for an answer to the question of identity: who am I? Or rather who are we? The book concludes with a reflection on the reparative effect that the urban landscape can have on citizens through buildings and urban plans that relate to people and respond to their desires both conscious and unconscious. The book proposes a journey through these three main areas reflecting on the importance of the construction and repair of individual and collective identity in our lives as social beings, in our attitudes to sexuality and desire and in our dual role as creators and viewers of art. It is the perfect book for curious minds.

Explicit Utopias Amalia Ziv, 2015-07-06 Provides an incisive account of women's porn and queer porn of the 1980s and 1990s. *Explicit Utopias* explores a problem that has long haunted feminist lesbian and queer critics: the obstacles to imagining women's desire and sexual agency. Pornography is one arena in which women have actively sought to imaginatively overcome this problem, yet pornography has also been an object of passionate feminist contention. Revisiting the feminist sex wars of the 1980s, Amalia Ziv offers a comprehensive and thoughtful reassessment of the arguments and concerns of both camps, tying these early debates to the contemporary surge of concern over the pornification of culture. She also sets out to rectify the lack of critical attention to marginal sexual representations by examining the feminist, queer and psychoanalytic literature on several key issues including fantasy, the phallus, identification and gender performativity.

Adele's Awakening Imelda Stark, 2021-01-01 Welcome to the superficially glamorous world of Adele, an A-list movie star whose career began by playing the beautiful girl stripped for the audience's titillation and then snuffed out in slasher films. She was just a teen, then dominated by a bitch of a stage mother. Once free of her Mom, she develops her skills as an actress and takes on mainstream movies. She soon requires a full-time security chief, a muscular and very handsome one who she attempts to seduce. Though he rebuffs her, the two become friends. When her acting out to get his attention results in a near-fatal encounter, she's saved by the heroic guard. Tearfully, she confesses her

plans to manipulate him and asks that he spank her in order to mend her foolish ways His expert domination of her opens up her untapped erotic potential all culminating in a torrid scene in which her Captain recruits a dominant couple to enact Adele's fantasy *Bad Girls of Japan* L.
