The Oxford Handbook of Social Media and Music Learning Janice L. Waldron, Stephanie Horsley, Kari K. Veblen, 2020 The Oxford Handbook of Social Media and Music Learning provides fascinating insights into the ways in which social media musical participation and musical learning are increasingly entwined *Social Computing and Social Media. Participation, User Experience, Consumer Experience, and Applications of Social Computing* Gabriele Meiselwitz, 2020-07-10 This two volume set LNCS 12194 and 12195 constitutes the refereed proceedings of the 12th International Conference on Social Computing and Social Media SCSM 2020 held as part of the 22nd International Conference HCI International 2020 which was planned to be held in Copenhagen Denmark in July 2020 The conference was held virtually due to the COVID 19 pandemic The total of 1439 papers and 238 posters have been accepted for publication in the HCII 2020 proceedings from a total of 6326 submissions SCSM 2020 includes a total of 93 papers which are organized in topical sections named Design Issues in Social Computing Ethics and Misinformation in Social Media User Behavior and Social Network Analysis Participation and Collaboration in Online Communities Social Computing and User Experience Social Media Marketing and Consumer Experience Social Computing for Well Being Learning and Entertainment *Digital Media, Youth, and Credibility* Miriam J. Metzger, Andrew J. Flanagin, 2008 The difficulties in determining the quality of information on the Internet in particular the implications of wide access and questionable credibility for youth and learning Today we have access to an almost inconceivably vast amount of information from sources that are increasingly portable accessible and interactive The Internet and the explosion of digital media content have made more information available from more sources to more people than at any other time in human history This brings an infinite number of opportunities for learning social connection and entertainment But at the same time the origin of information its quality and its veracity are often difficult to assess This volume addresses the issue of credibility the objective and subjective components that make information believable in the contemporary media environment The contributors look particularly at youth audiences and experiences considering the implications of wide access and the questionable credibility of information for youth and learning They discuss such topics as the credibility of health information online how to teach credibility assessment and public policy solutions Much research has been done on credibility and new media but little of it focuses on users younger than college students *Digital Media Youth and Credibility* fills this gap in the literature Contributors Matthew S Eastin Gunther Eysenbach Brian Hilligoss Frances Jacobson Harris R David Lankes Soo Young Rieh S Shyam Sundar Fred W Weingarten *America's Election Handbook - 2024* Charles D. Patton, 2024-03-15 *America's Election Handbook 2024* offers a sharp analysis of the U S political party system highlighting contrasts between major party positions and challenging the necessity and consequences of strict party loyalties It delves into the evolving ideologies of political parties and critiques the minimal involvement of grassroots movements in decision making processes a factor it links to the growing divide in American politics The book advocates for

open minded dialogue and consensus in governance reflecting the democratic ideals of the Founding Fathers With a blend of proposals and factual analyses it aims to stimulate more inclusive and representative discussions on governance A key aspect of the book is its examination of the principles of Washington Jefferson and Adams drawing parallels between their original visions and today s political landscape America s Election Handbook 2024 is dedicated to bridging political gaps It serves as a comprehensive resource for voters facilitating an understanding of party positions encouraging well informed discourse and promoting solutions based on compromise The handbook seeks to heal societal divisions and guide American society towards greater unity and cooperation

Intersectionality and the City Lucie Bernroider,Anthony Miro Born,Christy Kulz,Sung Un Gang,2025-06-06 This book combines intersectional perspectives and urban research to demonstrate the importance of intersectionality as a concept that can complement refigurational understandings of social change as the outcome of spatial conflicts Showing how intersectionality enables us to grasp the intersecting categories of inequality in these spatial tensions it remains attentive to the role of social difference and power in these processes as well as to modes of normativity and resistance With case studies gathered from a range of national contexts it provides rich empirical insights into the relationship between urban spatialities power dynamics and embodied social inequalities addressing the manner in which different conflicts are made manifest intersectionally in and through situated urban spaces The chapters consider issues such as the gendering and racialization of urban spaces urban marginality and environmental pressures intersectional power dynamics in research heteronormative and cisgender centric structures in the city aging in the city young people control and insecurity police violence migrant emplacement and activism racialized gentrification and commoning and pandemic safety and protest to explore the uneven outcomes of spatial planning and urban development As such it draws attention to the interplay of various forces in the production of exclusion and injustice and will therefore appeal to scholars of sociology geography and urban studies with interests in inequality social change and resistance to exclusion

Franchise 4.0: Issues, Trends and Evolution of Franchise Businesses in Digital Era N.S. Subawa,N.W. Widhiasthini,2022-12-08

Franchise business as discussed in this book is one of the invisible hands of the global economy If you are imagining an economic trojan horse then franchising is exactly what it is The goal of the franchise is not as extreme as the trojan horse that destroyed the city of Troy in Greek heroic tales but because it is one of the right hands of capitalism it has the potential for efficient expansion and infiltration
