

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

QUESTIONS: TEXT F

- 5.1 Refer to line 1. Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice.
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

major exhibition highlighting Diego Rivera's work in Mexico and the United States from the early 1920s through the mid 1940s. During this time in his prolific career Rivera created a new vision for the Americas on both national and continental levels informed by his time in both countries. Rivera's murals in Mexico and the U.S. serve as points of departure for a critical and contemporary understanding of one of the most aesthetically, socially, and politically ambitious artists of the twentieth century. Works featured include the greatest number of paintings and drawings from this period reunited since the artist's lifetime presented alongside fresco panels and mural sketches. This catalogue serves as a guide to two crucial decades in Rivera's career illuminating his most important themes from traditional markets to modern industry and devoting attention to iconic paintings as well as works that will be new even to scholars revealing fresh insights into his artistic process. Published by the San Francisco Museum of Modern Art in association with University of California Press. Exhibition dates: San Francisco Museum of Modern Art, July 16, 2022 – January 1, 2023; Crystal Bridges Museum of American Art, Bentonville, Arkansas, March 11 – July 31, 2023.

The Routledge Handbook of Syntax Andrew Carnie, Dan Siddiqi, Yosuke Sato, 2014-04-29. The study of syntax over the last half century has seen a remarkable expansion of the boundaries of human knowledge about the structure of natural language. The Routledge Handbook of Syntax presents a comprehensive survey of the major theoretical and empirical advances in the dynamically evolving field of syntax from a variety of perspectives both within the dominant generative paradigm and between syntacticians working within generative grammar and those working in functionalist and related approaches. The handbook covers key issues within the field that include core areas of syntactic empirical investigation, contemporary approaches to syntactic theory, interfaces of syntax with other components of the human language system, experimental and computational approaches to syntax. Bringing together renowned linguistic scientists and cutting edge scholars from across the discipline and providing a balanced yet comprehensive overview of the field, the Routledge Handbook of Syntax is essential reading for researchers and postgraduate students working in syntactic theory.
