I Am Light Gary Layman,2011-05 The

biblical story of the Prodigal Son is one of redemption forgiveness and compassion In it a young man leaves home and squanders his inheritance on sinful desires He later returns embarrassed and penniless expecting to be thrown out by a hostile patriarch Instead his father is happy to find his son safe and longing to return He welcomes him back with open arms and prepares a feast in celebration Although the biblical tale is poignant in view of a son's relationship to his father the journey is much more than a picture window into humanity At its deepest the story of the Prodigal Son is a metaphor for the story of man's relationship with a welcoming God or higher power that longs to reach out and embrace humankind But first humankind must realize its own limitations Author Gary Layman upon hitting his own emotional wall cried out to the skies for inspiration He found it and he shares it in *I Am Light The Journey on the Prodigal Path* Seemingly ordinary events of our daily lives can lead to transcendent awareness Through channeled writings poetry and bits of autobiography Layman illuminates the way back to a higher power Our return home will not lead to punishment but instead personal liberation Christina Florence, 2007-09-01 The Magic of Zero is transformational tool box to guide you on your way to finding your magical self the you who can have be or do anything you want If you like the movie *The Secret* You will love this book *Grieving God's Way* Margaret Brownley, 2012-07-09 The loss of a loved one is devastating and the grief that follows is often crippling While modern Western culture has adopted an aren't you over it yet attitude toward death and the grief it brings the grieving process can take years Weeks and months go by with no visible improvement We might even wonder if God has forsaken us Then one day it happens We laugh We feel connected restless maybe even hopeful We're no longer consumed by our loss and our thoughts turn outward These are the first signs of healing Though the tendency in our fast paced society is to suppress our grief or ignore it all together *Grieving God's Way* inspires a different course of action In this 90 day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God's plan *Grieving God's way* requires us to trust that He will lead us through the darkness heal our pain take away our weariness and fill our hearts with hope peace and new purpose From defining what grief is to validating its importance Brownley gives us the components necessary to find God within our sorrow and grieve with Him Divided into four sections *Grieving God's Way* offers insight into healing our grieving body soul heart and spirit Infused with scriptures and inspirational haiku by Diantha Ain this book motivates us to shift our grieving from man's way to God's way slow and often invisible but with truly amazing results So how long does it take to grieve As long as it takes God to heal *Life Is Conscious* Owen Staples, 2013-11-05 *Life Is Conscious* is the compilation of quarterly seasonal essays written through the unique view of a Botanist A rich and thoughtful mix of fact and metaphor can be expected throughout this unique keen look into the possibility of creating a world where people coexist in peace health happiness and respect for the planet Readers may be pleasantly surprised to be humorously yet astutely compared to other living things potted plants wild growing trees sprawling vines the tortoise the hare honeybees and other engaging comparisons Owens unique blend of metaphor and fact make his recipe for a peaceful world difficult to dispute He
