Ajouz,Collin E. M. Brathwaite,Robert J. Cerfolio,Hersch Leon Pachter,2023-09-23 The idea for the book emanated from the
experience of one of the editors Dr Hana Ajouz who encountered many general surgery residents who were seeking a good
ABSITE review book from which to study and none was found to be truly comprehensive and up to date There is an immense
need for a comprehensive yet concise and easy to use book that has a clear structure and one that reflects new findings
methods and references that current surgical residents will find to be applicable The intentional structure of the book is
simply this capture the most pertinent information for each specialty that is on the SCORE curriculum and frequently asked
on the ABSITE exam and present it to the reader in a capsulized simplified format of charts or tables Hence in addition to its
study friendly structure this review book comprehensively mirrors most contemporary general surgery curricula It also
encompasses key operative steps of wider general surgery procedures which most review books lack Moreover while most
ABSITE review books are written by one or a few authors each chapter in this book is reviewed authored by someone with
expertise in their specialty This compiles the experience of many authorities into one resource helping general surgery
residents stay up to date with the most recent and important concepts in the field Medical Record George Frederick
