Answering 911 Life In The Hot Seat:

Answering 911 Caroline Burau, 2007-09 At a pace matching the flashing lights on a 911 console Caroline Burau puts us in the hot seat and shows us the madness the sadness and the gallows humor of a profession that serves and protects in ways we never dream And by telling us what goes on when the microphone is silent she has taken the voice on the radio and given it heart Michael Perry author of *Population 485* and *Truck A Love Story* A witty gritty look at life on the receiving end of our cries for help Reader's Digest Editor's Choice You answer a call from a fourteen year old boy asking for someone to arrest his mother who is smoking crack in their bathroom You talk with him until the cops arrive making sure there are no weapons around and learning that his favorite subject in school is lunch Five minutes later you have to deal with someone complaining about his neighbor's clarinet practice What is it like to be on the receiving end of desperate calls for help every day Caroline Burau a former newspaper reporter and nursing student who couldn't stand the sight of blood takes a job as an emergency dispatcher because she likes helping people But on the job training at the comm center proves to be more than she bargained for As she adjusts to a daily life of catastrophe and comedy domestics and drunks cops and robbers junk food and sarcasm lost cats and suicides she discovers that crisis can become routine that coworkers can be mean that she must continue to care and at times learn how to let go The day may come when I have to dial 911 I hope to God that the person who answers is Caroline Burau or someone like her Funny honest and elegantly simple this book left me with a sense of grace and hope Alison McGhee author of *Shadow Baby* *Rainlight Was It Beautiful* and *Falling Boy* Caroline Burau is a 911 dispatch operator for the police and fire departments in White Bear Lake Minnesota *In Case of Emergency* Elizabeth Ellcessor, 2022-04-19 *In Case of Emergency* argues that emergency media are profoundly cultural artifacts that shape the very definition of emergency as an opposite of normal The normalizing ideologies produced and reinforced by emergency media result in unequal access to emergency services and discriminatory assumptions about who or what is a threat and who deserves care and protection Thus a primary function of emergency media is to produce feelings of safety in some while designating others as targets of surveillance and control **Invisible Victims and the Pursuit of Justice: Analyzing Frequently**

Victimized Yet Rarely Discussed Populations Blasdell, Raleigh, Krieger-Sample, Laura, Kilburn, Michelle, 2021-06-18 Victims of crime may experience a wide variety of traumas that result in physical sexual financial psychological emotional and or social consequences While the types of trauma can vary greatly and include lesser known forms such as vicarious and secondary trauma identifying and recognizing victims can be complicated Throughout this book experts and professionals from academia and the fields of criminal justice social work and mental health acknowledge victims historically overlooked by society political movements the media and or the criminal justice system we acknowledge the invisible victims *Invisible Victims and the Pursuit of Justice Analyzing Frequently Victimized Yet Rarely Discussed Populations* pioneers the assertion that our view of victims needs to be more inclusive by exploring invisible victims that are rarely if ever a focus of discussions

in traditional victimology textbooks To educate the reader and begin working toward positive change each chapter identifies an invisible victim and provides the background controversies issues solutions and areas of future research It is crucial to identify these gaps in the field as some of the most victimized populations remain absent from important dialogue on crime victims This book is appropriate for a wide range of readership including but not limited to criminologists victim service providers psychologists sociologists social workers advocate groups law enforcement lawyers defense attorneys criminal justice practitioners academicians researchers and students studying criminology criminal justice victimology social work psychology and social justice
