Emotional Intelligence Advanced:

ADVANCE EMOTIONAL INTELLIGENCE ABHISHEK GOYAL, 2023-09-16 This book deals with various aspects of emotional intelligence and helps the reader to understand this concept in detail. The book is written on a self-explanatory basis which is very user-friendly and enables the reader to understand the significance of Emotional Intelligence and its application in our aspects of our lives be it career finance relationships mental well-being etc. The book also provides a food for thought to its readers along with presenting some real-life practical examples where Emotional Intelligence can come into play. The book touches upon financial emotional intelligence and your relationship with money as well. A separate chapter is dedicated to the interesting Emotional Intelligence Artificial Intelligence trade-off and where the future lies for us. This book is written keeping in mind the Indian context in particular. *Emotional Intelligence* Lila Santoro, AI, 2025-03-15

Emotional Intelligence explores the profound impact of understanding and managing emotions or EQ in ourselves and others. It highlights how developing emotional intelligence can unlock potential in various aspects of life from strengthening relationships to achieving professional success. The book emphasizes three core concepts: self-awareness, self-regulation, and empathy, which are fundamental to building interpersonal skills, leadership abilities, and improving mental health. For example, self-awareness allows us to understand our emotional reactions while empathy enables us to connect with others on a deeper level. This book takes a practical approach, presenting emotional intelligence not just as a theory but as a learnable skill. It begins with a historical and neurological overview of emotions, then delves into the core competencies of EQ. It provides actionable strategies and exercises for developing these skills, drawing from scientific research, case studies, and real-world examples. The book progresses through the key components of EQ: self-awareness, self-regulation, motivation, empathy, and social skills, before discussing real-world applications in leadership, teamwork, and conflict resolution. This makes it a valuable resource for anyone seeking personal growth and professional success.
