Teaching children and youth to understand, manage and productively express their emotional intelligence pays big dividends in all areas of their lives and yours. The result is a complete emotional literacy program. Each book contains a comprehensive overview of emotional intelligence theory, what it is, why it has become such a hot topic in education and its scientific basis in brain research, plus concrete suggestions for schooling the emotions. Each unit includes a thematic overview, stimulating age-appropriate activities and lively discussion topics. *50 Activities for Developing Emotional Intelligence* Adele B.
