From Sin to Amazing Grace Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century

The Incredible Catholic Mass Martin Von Cochem, 1997 An absolute revelation to most Catholics Based on the Traditional Latin Mass but actually about the essence of the Mass itself Shows it is not just a prayer but a powerful sacrifice given to us by Almighty God to fulfill all our spiritual needs You will divide your life into before and after you read this book Going to Mass will never be the same again once you appreciate the significance of every Mass as explained by this book Every Catholic needs to read this Impr
