**Évaluer l'action publique** Steve Jacob, Frédéric Varone, 2003 *Environmental Policy Analyses* Peter Knoepfel, 2007-10-05 Having had the opportunity of receiving considerable public money mainly from the Swiss National Science Foundation for numerous environmental policy studies in Switzerland and abroad during the last 25 years I have decided to put the results published mainly in German and French but also in English in many scientific journals monographs and book sections in a single book on behalf of my students younger scholars interested in policy analysis dating from the period of the first environmental policies and my friends teaching this subject in Switzerland and abroad The criteria used to select the fifteen contributions were their impact on the scientific debate at the time of their publication their validity for present conceptualizations of policy analysis in the field of the environment and their contribution to the development of policy analysis as a whole Moreover the selected contributions mainly focus on empirical applications in the field of environmental policies or the interface between environmental and non-environmental policies Some have led to concrete policy recommendations of which most have been partly implemented since at least within my own country This research also sometimes addressed regional political administrative arrangements leading to administrative reforms and new strategic directions of implementing agencies

Rediscovering Public Law and Public Administration in Comparative Policy Analysis Stéphane Nahrath, Frédéric Varone, 2009-01-01 Publié à l'occasion du 60<sup>e</sup> anniversaire du Prof Peter Knoepfel Professeur à l'Institut de hautes études en administration publique IDHEAP Analyse et

pilotage des politiques publiques Peter Knoepfel, Corinne Larrue, Frédéric Varone, Jean-François Savard, 2015-05-06T00:00:00-04:00 Le projet de la modernisation de l'état demande une réflexion en profondeur sur la pertinence, l'efficacité et l'efficience des politiques publiques. Cet ouvrage présente les clés de l'analyse de ces dernières et propose un modèle illustré par des exemples français, suisses et canadiens. Ce modèle permet non seulement l'analyse mais aussi l'accompagnement de formes administratives ou le pilotage de nouvelles politiques. **Public Policy Analysis** Peter Knoepfel, Corinne Larrue, Frédéric Varone, Michael Hill, 2011 This is an English version of a text on public policy analysis originally written for practitioners in Switzerland and France. It presents a model for the analysis of public policy and includes examples of its application in everyday situations. This English version introduces supplementary illustrations and examples from the United Kingdom. Immigration and Refugee Policy: Breakthroughs in Research and Practice Management Association, Information Resources, 2019-06-07 Unstable social climates are causing the displacement of large numbers of people around the world. Thus the issue of safe replacement arises, causing the need for examining and improving the policies and strategies regarding immigration and helping these individuals integrate into new societies. Immigration and Refugee Policy Breakthroughs in Research and Practice is an authoritative resource for the latest research on the challenges, risks, and policies of current relocation and refugee flows and security problems in relation to these aspects of immigration. Additionally, techniques for assimilating immigrants into important foundations of society such as educational programs and healthcare systems is examined. Highlighting a range of pertinent topics such as civil protection, humanitarian aid, and the refugee resettlement process, this publication is an ideal reference source for policymakers, managers, academicians, practitioners, and graduate-level students interested in current immigrant and refugee policies. The Public Policy Process Michael Hill, Frédéric Varone, 2016-11-03 The Public Policy Process is essential reading for anyone trying to understand the process by which public policy is made. Explaining clearly the importance of the relationship between theoretical and practical aspects of policy making, the book gives a thorough overview of the people and organisations involved in the process. Fully revised and updated for a 7th edition, The Public Policy Process provides clear exploration using many illustrations of how policy is made and implemented. A new chapter on comparative theory and methods, new material on studying advocacy coalitions, policy changes, governance, and evaluation. More European and international examples. This edition appears at a time when its concern to emphasise the complex implications of modern governance and the way in which the ultimate outcome of a new policy initiative will depend on policy formulation and implementation processes is particularly relevant to the UK government's efforts to leave the European Union. Understanding Policy Decisions Bruno Dente, 2013-12-04 This book proposes a model for understanding how innovative policy decisions are taken in complex political and organizational systems, as well as the possible strategies that the promoter of the innovation can employ in order to maximize the probability of successful adoption and implementation. It presents a conceptual framework for the analysis of decisional situations in

order to design the most appropriate strategies for overcoming conflict e.g. of the NIMBY variety and/or increasing the engagement of potentially interested actors. The book includes a template for decisional case studies, a protocol for the definition of a decisional strategy and an exercise in decisional analysis. *Éléments pour une histoire des villes nouvelles* Loïc Vadelorge, 2005. Il souligne les défis de la communication des ressources humaines et de la législation pour le management public. Il revêt l'importance de la statistique, de la démographie et des technologies de l'information dans la gouvernance du secteur public. Ce sont autant de thèmes développés par l'IDHEAP depuis 1981 pour tous ceux qui sont concernés par la conduite des affaires publiques. *Institutional landscape regimes* Peter Knoepfel, Jean-David Gerber, 2008. *Arab Women and Their Evolving Roles in the Global Business Landscape* Al-A'ali, Ebtihaj, Al-Shammari, Minwir M., Masri, Hatem, 2017-12-01.
