Chandan Sengupta, This workbook is suitable for students having eagerness to improve the skill and competence for making oneself fit for the examinations and other challenges such as any University or College Entrance Examinations. Strategy of utilizing information is more important than compared to remembering information. One should not go for any elaborated option before any examination. Such a kind of effort rarely brings fruitful results. Designing effective strategy of content management and implementing the same in time is most important. This book has been published with all reasonable efforts taken to make the material error free after taking needful consent of the author. No part of this book shall be used reproduced in any manner whatsoever without written permission from the author except in the case of brief quotations embodied in critical articles and reviews. The subject area namely Cell Biology and Genetics has a vast scope of discussions on the basis of various types of inventions duly incorporated in the regular study time to time. All such incorporations are limited to the scope of various frameworks of curriculum prescribed by various streams of study like CBSE, ICSE and State Boards. Some of the integrated framework is incorporated in the content areas meant for competitive exams like pre medical entrance examinations, Graduate level Entrance Examinations etc. Topics incorporated in this book are on the basis of such integrations of various streams of studies. This book has been published with all reasonable efforts taken to make the material error free after the consent of the author. No part of this book shall be used reproduced in any manner whatsoever without written permission from the author except in the case of brief quotations embodied in critical articles and reviews. The field of study is restricted to discussions related to Cell Organelles, different types of cells, functional diversities of various parts of cells, combination and recombination mechanisms of genes, expression of genes through different cellular activities and some of the selected anomalies caused by genetic problems. *Cracking IAS Prelims Revision Files - General Science & Technology (Vol. 6/9)* Disha Experts, 2019-04-24. *Cracking IAS Prelims Revision Files General Science Technology Vol 6 9* is the 1st ebook of a series of 9 eBooks specially prepared to help IAS aspirants cross the milestone of Preliminary Exam.
