A Room for the Summer Fritz Wolff, 2021-07-06 In A Room for the Summer Fritz Wolff takes the reader on a memorable journey into the rough and tumble world of hardrock mining recounting his experiences both above and below ground as an apprentice engineer during the late 1950s In June 1956 at the age of eighteen Wolff went to work for the Bunker Hill Company in Kellogg Idaho in the Coeur d Alene region Arriving in a tired 1939 Chevy coupe with about twenty dollars in his pocket Wolff spent three college summers working for Bunker Hill He learned firsthand the pleasures of camaraderie with fellow workers and the dangers of working underground Today the hardrock mining industry is all but forgotten The Bunker Hill Company is known not because it produced 430 million ounces of silver and not because it provided a living for thousands of families for more than a century but because it is one of the largest EPA superfund sites Wolff does not idealize the mining industry for many workers the conditions were nightmarish But in spare lyrical prose he evokes the intrinsic goodness of a simpler time when hardworking folks went about their business with courage humor and lots of gumption

Grieving God's Way Margaret Brownley, 2012-07-09 The loss of a loved one is devastating and the grief that follows is often crippling While modern Western culture has adopted an aren't you over it yet attitude toward death and the grief it brings the grieving process can take years Weeks and months go by with

no visible improvement We might even wonder if God has forsaken us Then one day it happens We laugh We feel connected restless maybe even hopeful We re no longer consumed by our loss and our thoughts turn outward These are the first signs of healing Though the tendency in our fast paced society is to suppress our grief or ignore it all together Grieving God s Way inspires a different course of action In this 90 day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God s plan Grieving God s way requires us to trust that He will lead us through the darkness heal our pain take away our weariness and fill our hearts with hope peace and new purpose From defining what grief is to validating its importance Brownley gives us the components necessary to find God within our sorrow and grieve with Him Divided into four sections Grieving God s Way offers insight into healing our grieving body soul heart and spirit Infused with scriptures and inspirational haiku by Diantha Ain this book motivates us to shift our grieving from man s way to God s way slow and often invisible but with truly amazing results So how long does it take to grieve As long as it takes God to heal
