Document-Based Assessment Activities, 2nd Edition Marc Pioch, Jodene Lynn Smith, 2020-03-02 Today's students need to know how to evaluate sources and use evidence to support their conclusions. This K-12 resource for teachers provides instructional support as well as a variety of learning opportunities for students. Through the activities in this book, students will ask and answer compelling questions, analyze primary sources, approach learning through an inquiry lens, and hone their historical thinking skills. The lessons teach skills and strategies for analyzing historical documents, partnered with document-based assessments. Graphic organizer templates help students structure their analyses. This resource, written by Marc Pioch and Jodene Smith, prepares students for standardized tests and engages students with inquiry. The scaffolded approach to teaching analysis skills can be applied across grades K-12. *Success International English Skills for IGCSE Teacher's Book* Marian Barry, 2010-02-04 Endorsed by University of Cambridge international examinations Cover An Asian American Ancient Historian and Biblical Scholar Edwin M. Yamauchi, 2024-06-13 An Asian American Ancient Historian and Biblical Scholar is not simply a memoir of Edwin M. Yamauchi. It is an expansive, multi-generational story of a Japanese American family. Issei Nisei Sansei that began with immigrants from Okinawa who used a narrow window of time, 1900-1915, to emigrate to Hawaii to work on the sugar plantations there. After the suicide of his father when he was three, Edwin was raised by his mother who knew little English by working as a maid for twelve years. Deprived of other distractions, Edwin turned to the reading of books. From a nominal Buddhist and then a nominal Episcopalian background, Edwin was converted to Christ at the age of fifteen and determined to become a missionary. Lacking in funds, he worked his way through college. With an aptitude for languages, he earned his PhD under Cyrus Gordon. After a short stint at Rutgers University in New Jersey, he enjoyed a long career, 1969-2005, at Miami University in Ohio. His memoir includes descriptions of the schools, societies, scholars, and travels of his life, as well as his witness to Christ and his role in the establishment of a campus church.

Ancient Egypt Michelle Breyer, 1996-09 Social Studies for the Twenty-First Century Jack Zevin, 2015-01-09 Now in its 4th edition, this popular text offers practical, interesting, exciting ways to teach social studies and a multitude of instructional and professional resources for teachers. Theory, curriculum, methods, and assessment are woven into a comprehensive model for setting objectives, planning lessons, units, and courses, choosing classroom strategies, and constructing tests for some of the field's most popular and enduring programs. The reflective and integrative framework emphasizes building imagination, insight, and critical thinking into everyday classrooms, encourages problem-solving attitudes and behavior, and provokes analysis, reflection, and debate. The text includes separate chapters on teaching each of the major areas of the social studies curriculum. Throughout the text, all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic, factual, reflective, analytical, and affective/judgmental components. These three components are seen as supporting one another, building the groundwork for taking stands on issues past and present. At the

center is the author's belief that the heart and soul of social studies instruction perhaps all teaching lies in stimulating the production of ideas looking at knowledge from others viewpoints and formulating for oneself a set of goals values and beliefs that can be explained and justified in open discussion New in the Fourth Edition Clear links to the The National Council for the Social Studies College Career and Civic Life C3 Framework for Social Studies State Standards Attention to impact of high stakes testing Common Core State Standards and related ongoing developments Expanded and critical review of the use of internet web and PowerPoint technologies Coverage of how to incorporate the many social science humanities and STEM fields to enrich the social studies Updates and revisions throughout including new research reports reflecting current findings new examples more media and materials resources particularly digital resources new and updated pedagogical features Companion Website new for this edition
