sister Agnes She never saw her father who had run off to Australia weeks before her birth 4 My grandmother s troubles began the night she was born She was born with her head in the New Year and her arse in the Old or was it her head in the Old Year and her arse in the New She had to write to the Pope to find out what year she was born in Angela's Ashes Frank McCourt,1999 Frank McCourt was born in 1930 in Brooklyn New York to Irish immigrant parents grew up in Limerick Ireland and returned to America in 1949 For thirty years he taught in New York City high schools His first book Angela s Ashes won the Pulitzer Prize the National Book Critics Circle Award and the L A Times Book Award In 2006 he won the prestigious Ellis Island Family Heritage Award for Exemplary Service in the Field of the Arts and the United Federation of Teachers John Dewey Award for Excellence in Education He lives with his wife Ellen in New York and Connecticut

Angela's Ashes Frank McCourt,2011 A sad funny bittersweet memoir of growing up poor in New York City in the 1930s and Ireland in the 1940s Frank s mother Angela barely coped as his father s drinking bouts constantly brought the family to the brink of disaster **Tis** Frank McCourt,1999-09-22 Frank McCourt s glorious childhood memoir Angela s Ashes has been loved and celebrated by readers everywhere for its spirit its wit and its profound humanity A tale of redemption in which storytelling itself is the source of salvation it won the National Book Critics Circle Award the Los Angeles Times Book Award and the Pulitzer Prize Rarely has a book so swiftly found its place on the literary landscape And now we have Tis the story of Frank s American journey from impoverished immigrant to brilliant teacher and raconteur Frank lands in New York at age nineteen in the company of a priest he meets on the boat He gets a job at the Biltmore Hotel where he immediately encounters the vivid hierarchies of this classless country and then is drafted into the army and is sent to Germany to train dogs and type reports It is Frank s incomparable voice his uncanny humor and his astonishing ear for dialogue that renders these experiences spellbinding When Frank returns to America in 1953 he works on the docks always resisting what everyone tells him that men and women who have dreamed and toiled for years to get to America should stick to their own kind once they arrive Somehow Frank knows that he should be getting an education and though he left school at fourteen he talks his way into New York University There he falls in love with the quintessential Yankee long legged and blonde and tries to live his dream But it is not until he starts to teach and to write that Frank finds his place in the world The same vulnerable but invincible spirit that captured the hearts of readers in Angela s Ashes comes of age As Malcolm Jones said in his Newsweek review of Angela s Ashes It is only the best storyteller who can so beguile his readers that he leaves them wanting more when he is done and McCourt proves himself one of the very best Frank McCourt s Tis is one of the most eagerly awaited books of our time and it is a masterpiece **"Survival factors" in Frank McCourt's "Angela's Ashes"** Helena Schneider,2006-06-20 Essay from the year 2002 in the subject English Language and Literature Studies Literature grade A Manchester Metropolitan University Business School Department of Modern Languages course Seminar 20th century writing in English Course EFL and English Literature language English abstract When I look back on my childhood I wonder how I

survived at all It was of course a miserable childhood the happy childhood is hardly worth your while Worse than the ordinary miserable childhood is the miserable Irish childhood and worse yet is the miserable Irish Catholic childhood p 1 These sentences at the beginning of Angela's Ashes summarize very briefly what this novel is about the survival of a miserable Irish Catholic childhood Indeed this childhood was shaped by a strict religious upbringing by poverty and starvation humiliating experiences diseases and even death So what does make this story an exception worth to be read It obviously must have to do something with survival How come the hero of this story did not go mad like one of his classmate's mother who had regularly been carried to the lunatic asylum How come he did not resign like his mother permanently desperate over their miserable situation Why did he not become like his father and many other Irish men described in the book drinking their wages and singing sad songs about brave soldiers ready to die for Ireland Was he just lucky or where there any special factors which enabled him to come through the first 19 years of his life What are the reasons for his pure physical but also mental survival In this essay I am trying to find possible answers to all the questions raised above by analysing Frank's relationship to his family especially to his father and mother and to other people who played an important role in his life
