Angels Among Us Book:

Angels Among Us Ron Rhodes, 2008-01-01 With stories of angelic encounters all around us Reasoning from the Scriptures Ministries president Ron Rhodes delves into the biblical truth about these heavenly beings Some current reports are so utterly remarkable they have captured widespread attention Curiously however many of these seemingly celestial visitors have little in common with the angels of the Bible Angels are very much involved in our lives today of that we can be certain But when it comes to angels how can we tell what is real and what isn't Angels Among Us provides solid biblically based answers to pressing questions through a fascinating and highly inspirational tour of God's Word Readers will discover who angels are what they are like what they do and most exciting of all the ministry they have today This book has sold nearly 150 000 copies and now boasts an updated cover to bring its balanced message to new readers **Angels Among Us** Bryan

Alan Stewart, 2021-06-10 About the Book Have you ever seen a shifting shadow when no one else is around Perhaps in your peripheral vision you caught sight of a glimmering glow or a radiant white light Or maybe you have heard a voice call your name speak a command or word of warning a clear audible voice that causes you to turn your head to see who is talking only to find that there is nobody there nobody that you can see with the natural eye Was there ever a time where you were delayed due to unforeseen circumstances Maybe at that moment the situation caused stress or frustration due to impatience but the delay was sparing you from an accident down the road Have you ever felt the urge to help another human in need with an act of kindness In all of life's experiences things are going on behind the scenes unseen including the working of angels We may not see them other than in glimpses or through revelation but they are there They are invisible friends more for us than against us Myriads upon myriads and thousands upon ten thousands there are more of them than can be numbered They bring help to those who call out for healing encouragement peace and protection all at God's bidding In a time such as this it is comforting to know there are angels among us **Angels Among Us**, **Angels Among Us** Marie McCluskey, 2018-12-31 Have you ever felt like angels were involved in a situation in your own life Were they visible Did you feel their touch How did they impact your life Angels Among Us not only describes the different levels and tasks of angels but it also gives account of encounters with angels in daily life There are also people who impact our lives and they seem to be like an angel to us There are stories and poems written about several people who impacted Marie's life This literary work incorporates the words to the song with the same title and it also contains excerpts from a book by a well known author
