Giving Christianity Back to Agape Love Matthew Carriker,2022-05-09 How could a church that has been plagued by anti Semitism the killing of the Crusades and the violence of the Inquisition to name a few be redeemed of these evils Quite simply it has always returned to Jesus When you return to Jesus you return to the heart of his message agape Agape is a Greek word in the New Testament referring to a love that is without limits and beyond conditions Agape is the love that God has for us and that we are called to have towards one another This book centers around this one assumption God loves us unconditionally Our task individually and as communities is to be instruments of that love This book reenvisions traditional Christian beliefs including sin the Bible salvation homosexuality pluralism Jesus and atonement theology through the lens of agape love What would the Christian life look like if we embodied the good news in community as contemplatives in action In a time when churches are dying and failing giving Christianity back to agape love has the power to bring life into a religion that feels old worn out and over institutionalized To return Christianity to Jesus is to give the church universal back to a love that is boundless free and unconditional to a love that finds its heart in service peacemaking and radical transformation to a love that will set the world on fire

Revolution - Sex, Gender and Spirituality - Love Set Free Richard Bruvoll Jr., 2024-04-25 Did you know that religion whether you re religious or not is the single topic that has had the most profound impact on the species of human beings David Fontana Reading this book you will be reminded of the human madness and frequently evil attitudes and actions throughout recorded history Much of it probably unknown to many of you Our time s narratives have become cultural truths as so many times before in our history I would recommend that you read about key conceptual explanations and models in Part I before embarking on the journey through this dramatic history of humanity Disclaimer This book is not recommended for people with high blood pressure especially if you are an extreme left wing Darwinist or an extreme right wing Abrahamist You ve hereby been warned Have a good read and learning experience Especially the NDE s Life review stage or more precisely The Life relive stage as the psychologist and researcher Kenneth Ring puts it This stage resembles both Dante s inferno and the biblical purgatory but with a very interesting twist to it This stage is also the route to go in order to prevent aggressive behavior on all levels The NDE Code connecting the dots Richard Bruvoll Jr Blokus Denmark July 2020
