

AP Biology Summer Packet 2020-2021

1 INSTRUCTIONS

Please carefully read this cover page in its entirety. You will complete all parts of this summer assignment to be due Friday 08/21 through google classroom. The summer packet assignment is worth 10% of your grade for the first quarter. You will also take a benchmark on this content by the end of the second week. Late work will not be accepted because we have two semesters of college Biology to cover in our short amount of time together. If you develop a pattern of completing work late you WILL fall behind. If you have questions about the assignment, please feel free to contact me at hucoco@pioneerccss.org. I look forward to working with you!

2 WELCOME AND COURSE INTRODUCTION

Welcome to AP Biology! Over the next year we will be working closely as a team to conquer a fast-paced, challenging and highly rewarding classroom experience. AP Biology should NOT be considered "college prep." This is a COLLEGE course, with college level expectations for behavior, attendance, participation and effort. YOU WILL BE REQUIRED TO STUDY INDEPENDENTLY! To be highly successful in this course you will need to attend after school and Saturday Academy regularly and will want to attend the test preparation sessions held in the spring.

The A.P. Biology Exam is 50% multiple choice and 50% free response. You will be given ninety minutes to complete 60 multiple choice questions and another 90 minutes to complete the free response answers. Your exam score will be rated as a 1 (poor) – 5 (best). You can receive recognition by more than 90 percent of colleges in the United States & colleges in more than 60 other countries, which grant credit, advanced placement, or both on the basis of AP Exam grades. Check out your potential schools policies online at <http://collegeresearch.collegeboard.com/apcreditpolicy/index.jsp>. The 2021 exam is Friday May 14th. We will hold Mock exams to practice exam/study session. It is the student's responsibility to pay for exam fees, usually around \$90. Some students will be eligible for reduced fees.

3 ASSIGNMENTS

1. Complete the introduction email. Details are on the next page.
2. Read the document titled "[Active Reading and Note Taking](#)." The suggestions in this lesson will be essential to your success in the course.
3. Complete the entire packet of guided notes for the course. You will need to access the textbook online. The .pdf document of the textbook is on the summer packet page of the school website.
