St. Andrew's Cross, 1895 **Silly Things Happen** Houghton Mifflin Company, 1992-07 **God's Man Plan** Mike Taylor, 2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God s Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you ll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God s man plan and thereby you will be better able to prepare for what lies ahead for all mankind
