combination of excellent design and hardware as well as the racing achievements that followed Once established the
Corvette became a Chevrolet icon utilised by Bow Tie and GM marketing to benefit the automaker However Corvette was no
loss leader it earned its keep and the respect of industry commentators The Corvette maintained all these qualities despite
the triple whammy of insurance rate hikes emissions controls and fuel crises and survived into the 80s with a fresh design
that took on all sports car competitors Archive images independent testing and the viewpoints of Chevrolet and auto industry
personalities illustrate the rise and rise of America's only sports car including a substantial mid engine genesis Marc
