Accidental Herod Becoming A Leader You Can Live With:

Spiritual But Not Anxious Darrell Smith, 2024-11-19 There is a reason that the phrase spiritual but not religious exists Now more than ever people are finding it difficult to reconcile their experiences or worldviews with the anxiety that organized religion too often creates When we embrace the message but mistrust the institution anxiety is at work When we cling to a particular faith but struggle to reconcile ourselves to its beliefs and practices anxiety is present When we are drawn to mysticism meaning and wonder but burdened by religious baggage we are longing to be Spiritual But Not Anxious Religion should be the counter to anxiety not its cause Spiritual But Not Anxious traces the root cause of our most basic religious anxieties and invites us to imagine a better way

Accidental Herod David McNitzky, 2014-11-20 This book is for Christian leaders who are driven rather than called who are living as orphans rather than heirs David McNitzky was driven once and he was living into a vision of church leadership that threatened to make him into a Herod the Great for the modern age In this book David asks Christian leaders to meet Herod again for the first time Examine how Herod and David fell off track how they lived as orphans instead of heirs to our Father's Kingdom on earth as it is in heaven David offers you his hope as a beloved son of the Father hope Herod never found

Faith Lies Darrell Smith, 2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the

root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior

LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too

LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction

Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options

Who Do You Say I Am? William L. Merrifield, 2010-05 **Who Do You Say I Am** seeks to bridge the gap between the reader who reads for empowerment and the reader who reads for knowledge Both groups will receive what they seek and even spiritual insight into the earthly life of Jesus whose short ministry spawned a worldwide life changing movement that grows stronger with each soul saved Readers are invited to travel back in time with the author and take a look at this itinerant teacher and preacher that history calls Jesus and millions call Savior This book takes the reader through Old Testament messianic promises Jewish history and the gospel accounts finally arriving in the fullness of God's time at a place in history where a man who lived in a precisely defined period of time during the reigns of Augustus and Tiberius Caesar began a life changing ministry Read of Jesus's promised coming and his birth Visualize the every day trials of a Jewish lad on the road to manhood Follow as the book looks at both earthly life and heavenly intervention in seeking to know this man called Jesus

Dr William Merrifield is a Southern Baptist deacon minister and a retired army chaplain He holds a Master of Divinity from Southwestern Baptist Theological Seminary a Master of Strategic Studies from the U S Army War College and a Doctorate of Ministry from Westminster Presbyterian Theological Seminary Bill has been in the ministry for thirty seven years Bill and his wife Jo Ann currently reside in Columbia South Carolina

Crossings Walter C. Jr. Wright, 2001-03 As the president of Regent College Dr Walter C Wright welcomed theological students from around the world for 12 years At the closing of each academic year he would then see those same students off to the rest of their lives following their formative time at Regent Collected here are Dr Wright's introductory and closing chapel talks that explore the difficulties associated with transitioning to the places where God is calling us to be These encouraging expositions from Scripture will speak to anyone who is pulling up roots and moving on to follow God's leading at Regent College or elsewhere or preparing for life after Regent after completing their theological studies

The Man Born to Be King Dorothy L. Sayers, 2011-07-20 In twelve plays for broadcasting at monthly intervals Dorothy L Sayers drew on material from all four Gospels keeping the theme of Jesus of Nazareth's divine kingship in focus throughout while locating him firmly in the social and political context of his time The first half covers episodes that precede the final journey to Jerusalem and the latter half primarily deal with Passion Week themes It is the simplicity and profundity of Jesus' words in the Fourth Gospel especially that Sayers drew on in her own writing for the voice of Jesus on air The plays gave her an opportunity to explore the many gospel characters surrounding Jesus not least that of Judas And beyond the utter sorrow of Jesus' death the King comes into his own in the garden of resurrection
