Woman and Socialism (English Edition) August Bebel, 2014-11-12 Example in this ebook We are living in an age of great social transformations that are steadily progressing In all strata of society we perceive an unsettled state of mind and an increasing restlessness denoting a marked tendency toward profound and radical changes Many questions have arisen and are being discussed with growing interest in ever widening circles One of the most important of these questions and one that is constantly coming into greater prominence is the woman question The woman question deals with the position that woman should hold in our social organism and seeks to determine how she can best develop her powers and her abilities in order to become a useful member of human society endowed with equal rights and serving society according to her best capacity From our point of view this question coincides with that other question In what manner should society be organized to abolish oppression exploitation misery and need and to bring about the physical and mental welfare of individuals and of society as a whole To us then the woman question is only one phase of the general social question that at present occupies all intelligent minds its final

solution can only be attained by removing social extremes and the evils which are a result of such extremes Nevertheless the woman question demands our special consideration What the position of woman has been in ancient society what her position is to day and what it will be in the coming social order are questions that deeply concern at least one half of humanity Indeed in Europe they concern a majority of organized society because women constitute a majority of the population Moreover the prevailing conceptions concerning the development of woman s social position during successive stages of history are so faulty that enlightenment on this subject has become a necessity Ignorance concerning the position of woman chiefly accounts for the prejudice that the woman s movement has to contend with among all classes of people by no means least among the women themselves Many even venture to assert that there is no woman question at all since woman s position has always been the same and will remain the same in the future because nature has destined her to be a wife and a mother and to confine her activities to the home Everything that is beyond the four narrow walls of her home and is not closely connected with her domestic duties is not supposed to concern her In the woman question then we find two contending parties just as in the labor question which relates to the position of the workingman in human society Those who wish to maintain everything as it is are quick to relegate woman to her so called natural profession believing that they have thereby settled the whole matter They do not recognize that millions of women are not placed in a position enabling them to fulfill their natural function of wifehood and motherhood owing to reasons that we shall discuss at length later on They furthermore do not recognize that to millions of other women their natural profession is a failure because to them marriage has become a yoke and a condition of slavery and they are obliged to drag on their lives in misery and despair To be continue in this ebook [A Christmas Miracle: Accidentally Transformed into a Girl](#) Nikki Crescent, The best part of Christmas for Charlie is going to Gigi s annual Christmas Eve party Unlike Charlie Gigi has rich parents a big house and complete freedom to do whatever she wants So for one day each year Charlie can bask in the extravagant life of his spoiled and beautiful friend Gigi s mother is back from an exotic trip through Tibet She brought a priceless artefact from an ancient Tibetan temple with her a Tibetan wishing bowl To Gigi s mom it s just another expensive piece of art so she can flex her wealth to her friends But to Charlie it s a tiny chance to have a better life So during that party when nobody is looking he wishes his life could be more like Gigi s **Accidentally Yours** Rebecca Winters,2010-09-01 FBI agent Max Calder is working undercover to bring down a Russian Mafia ring which is running an elaborate scam staging accidents and bilking insurance companies He s disguised as a Russian immigrant Anatoly Kuzmina and has successfully or so he hopes infiltrated the group Gaby Peris an attractive widow inadvertently ends up in the middle of one of these accidents Is she an innocent victim or part of the scam Does she know who he really is Max has to find out because he s starting to fall for her and fall hard *How Does It Feel to Be Unwanted?* Eileen Truax,2018-09-11 In an era of increasing anti immigrant sentiment and bigotry each of these 13 stories illuminates the issues affecting the Mexican community and shows the breadth of a frequently stereotyped population

Dreamers and their allies those who care about immigration justice and anyone interested in the experience of Mexicans in the US will respond to these stories of Mexican immigrants some documented some not illuminating their complex lives Regardless of status many are subjected to rights violations inequality and violence all of which existed well before the Trump administration and have profound feelings of being unwanted in the country they call home There s Monica Robles the undocumented mother of three US citizens who is literally confined to a strip of territory between two checkpoints one at the Mexico border and one twenty seven miles north of the border We meet Jeanette Vizguerra who came to symbolize the sanctuary movement when she took shelter in a Denver church in February 2017 to avoid deportation Later that year Time magazine named her one of the one hundred most influential people in the world There s Daniel Rodriguez the first undocumented immigration lawyer in Arizona to successfully obtain a license to practice Alberto Mendoza who suffered persecution as a gay man for years in 2013 founded Honor 41 a national Latina o LGBTQ organization that promotes positive images of their community After crossing the border illegally with his mother as a child Al Labrada later joined the military to get on a path to citizenship in March 2017 he was promoted to captain in the Los Angeles Police Department These and eight other stories will broaden how you think about Mexicans in America

The Oxford Guide to Literature in English Translation Peter France,2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines

the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators British Medical Journal ,1906 Twentieth-century Italian Literature in English Translation Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence
