ends up in the dark netherworld of the new Russian mafia in Israel Avram Cohen is revealed as never before a man with a complex past that makes his future most uncertain Someone wants to kill Cohen or so it seems possibly because of something he wrote in his memoir about his year as an avenger assassinating Nazis after his long ago liberation from the Dachau concentration camp But then his longtime protege Nissim Levy is found murdered on the road to Eilat Is this a revenge killing somehow aimed at Cohen or as Nissim s former assistant believes could the Russian mafioso be involved From private nightclubs where mafia kingpins entertain with vodka drenched feasts to massage parlors where the women work with cold blooded professionalism Cohen s search for Levy s killer becomes a twisted journey into a new side of Israel hardly known to the outsider On the way Cohen must look back at his own guilt before he can unveil a killer with a misguided but nonetheless profound motive for murder This finely drawn novel is like all the Cohen novels a portrait of a deeply complicated man trying hard to be moral in a world where greed rules Building an atmosphere of personal pain and paranoia up until the very last pages of the book Rosenberg gives us a tour de force

An Accidental Autobiography Gregory Corso,2003 He left or was left by a number of girlfriends and he fathered five children along the way He was apt to raise a bit of a ruckus at poetry readings and other public events No one could be sure what he might do next except that he would write poetry and get published and that it would be widely read

Reminiscences of an Accidental Embezzler Howard E. Hallengren,2016-09-15 The book tells the story of a young highly accomplished Swiss man who is apparently destined to be the head of a major bank in Zurich He makes the mistake of trying to carry out a seemingly foolproof embezzlement from the bank This attempt leads him on an increasingly risky path from Zurich to New York to Los Angeles and back to New York ultimately culminating late in his life in trying to carry out one of the greatest most daring and most spectacular embezzlements ever attempted
