Accidentally In Love Witha God:

Accidentally in Love With...a God? Mimi Jean Pamfiloff, 2013 Trapped for decades a powerful god seeks freedom and revenge But the only thing that can save him is the passion of a woman s touch naked body Humans are so frail so undisciplined so susceptible to love And when this ancient being connects with Emma the feelings she sparks drive him utterly mad Protective keep her close never let her go kind of mad Which might not be such a bad thing because from the moment the beautiful passionate Emma unshackles his body they are hunted at every turn Now he ll have to do everything in his power to keep her safe But will it be enough *The Understanding of Christian Faith* Schubert M. Ogden, 2010-04-01 As an introduction to Christian systematic theology this volume treats all the main theological topics from God to last things seeking to explicate critically the understanding of them implicit in Christian faith itself in terms at once appropriate to Jesus Christ and credible to human existence Its criteria accordingly are the ultimate criteria of on the one hand specifically Christian experience of Jesus as expressed by the apostolic witness and on the other hand generically human experience of existence as expressed by a sound philosophy And as befits an introduction it employs these same criteria to clarify the process of actually doing Christian systematic theology Thus it begins by explaining both what such a theology has to do and how it is to do it and ends by considering what it means to do theology as a Christian calling particularly as a professional theologian *The Love of God* Peter Du Moulin, C. Matthew McMahon, 2015-07-23 In this exceptionally powerful work Du Moulin covers the immense topic of the love of God This is not an easy task Because of the natural man s depravity it is very easy to biblically understand why Esau I hateth but very difficult for the thoughtful Christian to understand Jacob I have loved Once a sinner is brought into the fold of Christ s love there are certain marks that demonstrate they are true Christians and are not only loved of God but have a grace given capacity to love God back Du Moulin covers what true love to God is what hypocritical or false love to God is five degrees of love to God the marks and effects of the love of God and five special means by which the Spirit of God will enflame us to love God more such as the choice of our friends the hatred of the world our fervent prayer life and the hearing and reading of the word of God This classic Reformed work is a study that will not leave the Christian unchanged It is an insightful treatment of the manner of our love to Christ His sections on modesty in women as well as the nature of addictive sin is worth the cost of the volume alone This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **Doing Theology Today** Schubert M. Ogden, 2006-07-01 Here is an essential handbook for all those who would do theology today written by one of America s most distinguished theologians The book is divided into four parts Theology of Theology which extends deepens and renders more persuasive the author s lines of thought on theological prolegomena Theology and Christology which argues that to do theology today one must be concerned above all with the fundamental questions of God and Jesus Theology of Religions which implies that to do theology today is to do it in a truly

global context in the presence of the plurality of ways of being human including those represented by non Christian religions
Theology in Conversation which claims that to do theology today is to enter into close and sustained conversation with others who either are or have been engaged in the same task of critical reflection **The Christian Remembrancer** ,1852

Select Sermons Thomas Boston,James Baine,1850 *Select Sermons by Thomas Boston ... and James Baine. With an Introductory Essay by N. M'Michael* Thomas BOSTON (the Younger.),1850 **God is Love** Mark Lloyd Taylor,1986 This book offers a critical appraisal of the theology of Karl Rahner with particular attention to the account of the phrase God is love Beginning with a review of Rahner s understanding of God and the problematic nature of God in contemporary theology Mark Taylor uses process philosophy to define God as essentially love of others This work represents both a contribution to the secondary literature on Rahner and a creative effort to discern divine reality from the perspective of Christian theology

The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany ,1852

Difficult Gospel Mike Higon,2005-01-01 Rowan Williams is widely recognized as a creative and powerful theologian but his theological writings are frequently complex and difficult This book provides a clear and simple guide to all the main themes of his theology and shows how they are related to his reading of the Bible his careful and wide ranging engagement with the Christian tradition and his grappling with contemporary culture It shows how the Archbishop s ideas about peace or about popular culture about sexuality or about evangelism relate to his understanding of the nature of the life of God and the challenging good news of Jesus Christ This book is designed especially for those who have no formal training in theology or academic expertise but are interested in finding out more about what Rowan Williams stands for
