Accounting Division, 1953 **"Uncool and Incorrect" in Chile** Stephen M. Streeter, 2023-02-24 The military coup that toppled Chilean President Salvador Allende in 1973 led to one of the most repressive military dictatorships in Latin American history Although the coup's full origin remains one of the great mysteries of the Cold War most assume that powers in Washington were largely to blame given the long history of U S interventionism in Latin America These assumptions were only strengthened by ongoing suspicions about the Nixon administration's role in a failed campaign to prevent Allende's inauguration in 1970 Providing a comprehensive account of the Nixon administration's efforts to undermine and unseat Allende the book relies heavily on newly declassified records addressing several crucial questions regarding U S involvement The author explores several counterfactual scenarios to highlight important turning points and crucial decisions which contributed to the failure of Chilean democracy GAO 1966-1981 Roger L. Sperry, 1981 **American Railway Accounting** Association of American Railroads. Bureau of Railway Economics. Library, 1925 **From Buildings and Loans to Bail-Outs** David L. Mason, 2004-07-05 For most Americans the savings and loan industry is defined by the fraud ineptitude and failures of the 1980s However these events overshadow a long history in which thrifts played a key role in helping thousands of households buy homes First appearing in the 1830s savings and loans then known as building and loans encourage their working class members to adhere to the principles of thrift and mutual co operation as a way to achieve the American Dream of home ownership This book traces the development of this industry from its origins as a movement of a loosely affiliated collection of institutions into a major element of America's financial markets It also analyses how diverse groups of Americans including women ethnic Americans and African Americans used thrifts to improve their lives and elevate their positions in society Finally the overall historical perspective sheds new light on the events of the 1980s and analyses the efforts to rehabilitate the industry in the 1990s *Barium Carbonate from China, Inv. 731-TA-1020 (Preliminary)* , The Home Office, 1848-1914, from Clerks to Bureaucrats Jill Pellew, 1982 Examines the changing social and educational backgrounds functions of the British civil servant especially after the reforms following the Northcote Trevelyan report Considers the structure of the department and the Home Office's alleged failure to effectively respond to contemporary social and political needs
