

How to Write a Fantasy Series: Do's and Don'ts

Don't

Be unoriginal with fantasy tropes

What makes your world or mythical creatures unique?

Use clichés without your own twist

A portal's working should be credible for your world.

Use stock characters with no detail

Avoid blank hero-orphans or endlessly wise and capable, staff-carrying wizards.

Do

Make tropes your own

E.G. J.K. Rowling makes broomsticks sports equipment.

Update clichéd plot devices

Rowling's portal is an ordinary, real-world train station.

Make characters believable

Give each character motivations, goals, strengths, fears and flaws. Even Gandalf makes mistakes.
