AutoCAD 2026 Instructor Shawna Lockhart,James A. Leach, In depth coverage of AutoCAD s commands and features Chapters are structured around related commands Starts with fundamental commands and progresses to more specialized applications An ideal reference guide for users at all levels Well suited for a two or three course sequence Includes introductory videos and bonus chapters on dynamic blocks and express tools This edition features a new chapter on parametrics This book is your AutoCAD 2026 Instructor The objective of this book is to provide you with extensive knowledge of Autodesk AutoCAD whether you are taking an instructor led course or learning on your own AutoCAD 2026 Instructor maintains the pedagogy and in depth coverage that have always been the hallmark of the Leach texts As the top selling university textbook for more than a decade the AutoCAD Instructor series continues to deliver broad coverage of AutoCAD in a structured easy to comprehend manner AutoCAD 2026 Instructor is command oriented just like AutoCAD

Chapters are structured around related commands similar to the organization of AutoCAD's menu system. The sequence of chapters starts with fundamental drawing commands and skills and then progresses to more elaborate procedures and specialized applications. The writing style introduces small pieces of information explained in simple form and then builds on that knowledge to deliver more complex drawing strategies requiring a synthesis of earlier concepts. Over 2000 figures illustrate the commands, features, and ideas. AutoCAD 2026 Instructor is an ideal reference guide unlike tutorial-oriented books where specific information is hard to relocate. Because these chapters focus on related commands and complete coverage for each command is given in one place, the commands, procedures, and applications are easy to reference. Tabbed pages help locate tables, lists, appendices, and the comprehensive index. What makes this book unique: In-depth coverage of Autodesk AutoCAD 2026 commands and features. Command Tables indicate where to locate and how to start each command. TIP markers in the margin provide important tips, notes, reminders, and short cuts. Complete chapter exercises with many multi-chapter REUSE problems. Well suited for a two or three course sequence. Online Resources. Your purchase of AutoCAD 2026 Instructor includes two free exclusive bonus chapters and introductory videos that are available by redeeming the unique access code found on the inside of the front cover. These bonus chapters cover dynamic blocks and express tools. Video Tutorials. This textbook includes access to videos that are designed to help you get started using the most common tools in Autodesk AutoCAD. These tutorials complement the textbook content by providing a practical, hands-on approach to understanding the basics of AutoCAD. They serve as an excellent starting point for learners who prefer to see the tools in action, reinforcing the written instructions and deepening your understanding of AutoCAD's essential functionalities. Although these videos do not encompass the entire scope of the textbook, they offer a comprehensive overview of the basics, facilitating a strong foundational knowledge.
