

A BEGINNER'S GUIDE TO GARDENING

HOW TO GET STARTED

WWW.GREENSLEEVES-UK.COM

TOOLS FOR THE GARDEN

Invest in a few, quality pieces rather than buying everything. Go for quality over quantity. The essentials are: spade, trowel, wheelbarrow, watering can and gardening gloves.

EASY PLANTS TO GROW

Sunflowers, sweet peas, pansies, marigolds, or herbs such as thyme, basil and parsley are easy to grow for even the most novice of gardeners.

KEEP IT ECO-FRIENDLY

Be mindful of how gardening can affect the environment. Conserve water whilst gardening through collecting rainwater, watering the garden in the cooler parts of the day.

PLAN AHEAD

Think about the bigger picture before you start planting. Where do you want your colourful or bigger plants? Draw out a plan then start planting.

GIVE PLANTS SOME ROOM

Don't place plants too close to one another, as they need room for roots to expand. Crowded plants are more likely to get diseased and need more frequent care.

START SMALL

If you don't have much confidence with gardening, start with some small indoor planters, like cress or herbs. Then build up to planting outdoors!
