

A few card tricks everyone should know.

When things pile up and everyone seems to want paying at once, financial acrobatics are called for. And that's when Access really can perform some valuable tricks for you.

Access lets you juggle your resources, so you get the most out of your money. You can relax, settle your bills with Access as and when they come in, and then pay back just a small amount of the total each month.

Keeping your finances balanced is easy with Access, even when it's time to replace those heavier domestic items. The same principle applies; go ahead and buy what you need, then pay in small, monthly amounts.

In short, Access will bend over backwards to help you, spreading the uneven cost of living just as smoothly and evenly as possible. So now, the trick is to get yourself an Access card.

Access. Your flexible friend.

The maximum interest payable with an Access Card is 24.9% p.a.
