

STATE OF IOWA MOTOR VEHICLE ACCIDENT REPORT

A unique law enforcement case number is in the top right of every page in the report. This number should be the same on each page.

At the top of the page you can find basic details about your crash, such as the date, time, and location of the accident.

Information about the first motor vehicle (car, truck, motorcycle, or any other vehicle with an engine) involved in the collision is located in the section marked "Unit 1." Here you can find details about the operator, owner, and the vehicle itself. If the driver of the vehicle was under the influence of alcohol and/or drugs, it will be noted here along with what type of test was administered. In this section, you can also view any citations that were issued by police. The numbers entered in the bottom part of the section are all defined on the four-page code sheet that accompanies the report.

The part of the page labeled "Commercial" will be filled out by the investigating officer if your crash involved a commercial vehicle, such as an 18-wheeler, tractor-trailer, semi-truck, big rig, or delivery truck. The information in this section is required by the Federal Motor Carrier Safety Administration.

Details about every person who was injured in the first unit only are listed in the bottom of the page.
