

A woman with long brown hair, wearing a bright pink sleeveless dress and matching pink high-heeled shoes, is captured in a dynamic running pose. She is moving from the left side of the frame towards the right. The background is a plain, light color, and a soft shadow of her figure is cast on the ground beneath her. The overall aesthetic is clean and modern.

the challenging confines of the secular and agnostic world of modern academia As a sociologist and a field researcher he shares with us his encounters with a variety of remarkable people that include colorful Christian shamans and healers possessors of paranormal gifts as well as charismatic monks and ascetics who exposed him to the magnificent spiritual wisdom of Eastern mystical Christianity It is among other things these kinds of experiences that step by step led him to realize that there is a deeper Truth over and beyond our physical and sensate universe that is the foundation and wellspring of everything that happens in our lives within the three dimensional world And it is this awareness that could eventually lead towards the integration of the best of science with the best of religion for the long term survival of the human race
