IIMA - Managers Who Make A Difference T V Rao, 2016-03-01 What qualities do you need to be a successful manager and how can you develop the qualities you already possess Managers Who Make a Difference examines how managers' perceptions about themselves shape their behaviour at work and studies the ways in which people can translate their ambition, sense of purpose, perseverance, confidence and resourcefulness into successful management. How can you train yourself to spot competences in others and build on them to create an effective team? How do you achieve the right balance between adherence to existing systems and creative or experimental problem solving? And do you have the people skills, the ability to network extensively and build trust-based relationships required to be a leader? Richly illustrated with anecdotes and experiences of well-known managers and with a broad array of tips and self-assessment tools to sharpen your management skills, this book is a must-read for all practising and aspiring managers. The IIM Ahmedabad Business Books bring key issues in management and business to a general audience. With a wealth of information and illustrations from contemporary Indian businesses, these non-academic and user-friendly books from the faculty of IIM Ahmedabad are essential corporate reading.

Focus: Improve Your Focus, Concentration and Understand Ways to Avoid Procrastination (Learn Better, Increase Productivity and Achieve Massive Success) Alina Weaver, 2021-08-01 This little book will make you money, save you money and show you how to increase savings, reduce debt and improve your net worth on a daily basis. Better than that, it has the potential to save you decades of time if you like most people are simply going through the motions every week. The basis, as with everything, is self-discovery. First, answer a few questions and be as specific and honest as possible: 1. What distracts me the most? 2. When do I get interrupted most often? 3. What can I do to make the distractions less? 4. What often comes to my mind? 5. When was I really able to concentrate fully? What played a role in that? 6. What procedures for concentration do I choose? 7. What other options do I have to be able to concentrate better? 8. How can I use what I have now found more in my life? If you really answered, then you are clear and this book will help you. Have you found that you tend to push tasks into the future when you don't want to deal with them at the moment? Or you just don't feel like doing something right now so you leave it for later? Would you like to find out some great ways to ensure that you're getting things done right away? Well, take a look through the pages of this book and let's see if we can find a way to break the procrastination habit.

The Pharmacy Leadership Field Guide: Cases and Advice for Everyday Situations Michael DeCoske, Jennifer Tryon, Sara J. White, 2011-03-09 You're not alone. Pharmacists face leadership challenges every day whether they realize it or not. As you embark on your journey from student to new pharmacist to emerging pharmacy leader, hear from new practitioners and seasoned veterans alike who have been there and can provide invaluable advice along the way. Now **The Pharmacy Leadership Field Guide: Cases and Advice for Everyday Situations** can be your personal in-print mentor to introduce you to leadership concepts and situations and broaden your understanding. This Field Guide focuses on leadership in everyday pharmacy practice by employing a case-based approach. While pharmacists receive exceptional didactic clinical training, leadership skills are another crucial skill set necessary for success. Each chapter is written from the perspective of a veteran mentor and a new practitioner both selected from various practice settings. Led by the editorial team of Drs. Michael DeCoske, Jennifer Tryon, and Sara White, you will hear from 19 contributors offering pearls of leadership wisdom for you to reference when needed and pass along to others. Inside, you'll find cases ranging from such topics as Being a little L everyday leader, The importance of listening, Life as a resident, and The art of persuasion. Profiles of veteran mentors and new leaders offering pharmacy and leadership career advice. Leadership Pearls for quick tips and Exercises to reinforce each case. An insightful foreword from Milap C. Nahata, MS, PharmD, Professor and Division Chair, College of Pharmacy, Professor of Pediatrics and Internal Medicine, College of Medicine, Ohio State University. OSU

Summary of The 7 Habits of Highly Effective People by Stephen R. Covey QuickRead, Lea Schullery, The perfect guide to adopting seven habits of effective people that can improve your life and the lives of those around you. A self-improvement guide written by Stephen Covey, **The 7 Habits of Highly Effective People** details how you can change your life through changing your mindset. The way you view the world is based entirely on your own perceptions, and by adopting a perception that leads to action, you can change your life and the lives of those around you. In other words, if you want to change your current situation, then you must learn to change yourself and learn to change your perceptions. The way you see the problem is the problem, so you must allow yourself to fundamentally change the way you think in order to see a true change in yourself. Covey will not only teach you how to adopt a new mindset but he will also teach you how to become proactive and focus on the important tasks at hand. At the end of the day, by adopting the 7 habits of highly effective people, you can learn how to change your mindset and then change your life. Do you want more free book summaries like this?
