Communication and Educational Technology - E-Book Suresh Sharma, 2016-04-28 Communication and Educational Technology is precisely written as per the syllabus prescribed for the undergraduate nursing studies. It is useful as an introductory textbook for the postgraduate nursing students and can also be of help for the other health care professionals to understand the concepts of communication and teaching learning pedagogy. The book is an excellent attempt towards introducing the readers to the basics of communication and educational technology in the education of nurses and other health care professionals.

Basic Management Accounting for the Hospitality Industry Michael Chibili, 2019-11-26 Basic Management Accounting for the Hospitality Industry uses a step by step approach to enable students to independently master the field. This second edition contains many new themes and developments including the essence of the International Financial Reporting Standards (IFRS) integration of the changes caused by the evolution of the Uniform System of Accounts for the Lodging Industry (USALI), the extension of price elasticity of demand and addition of income and cross elasticities, the addition of break even time (BET) as an additional method of analysing capital investments. Up to date and comprehensive coverage, this textbook is essential reading for hospitality management students. Additional study and teaching materials can be found on www.hospitalitymanagement.noordhoff.nl.

American Book Publishing Record, 2006

Book-keeping and Accounts Frank Wood, Sheila Robinson, 2018-01-01 Now going into its 9th edition, the successful textbook Book keeping and Accounts is a vital guide for students undertaking studies of book keeping and accounting for the first time. Through its gradual introduction of topics, explanation of technical terminology in a clear, easy to understand way, this text provides an accessible and reliable guide for any student in their undergraduate career. New to this edition: Fully compliant with International Financial Reporting Standards (IFRS) with current IFRS terminology; Questions and exercises to test your understanding and help with revision; Selected chapters amended and re-structured; Full explanation of HMRC changes in VAT relating to cash discounts; Illustrations and diagrams to help explain key concepts; Updated learning objectives and chapter summaries to reflect developments in the financial environment; Easy to understand double entry book keeping using the IN and OUT approach. With its highly regarded authorship, this text is used by lecturers for teaching students undertaking the following qualifications and examinations: Association of Accounting Technicians (AAT), International Association of Bookkeepers (IAB), A Level Accounting (Oxford Cambridge), and Royal Society of Arts (OCR), and as a general foundation text for personnel employed in the accountancy profession. Accompanying the text is a collection of resources to support both lecturers and students, which can be found at www.pearsoned.co.uk/wood. For instructors: Solutions manual and Powerpoint slides. For students: Opportunities to practise and additional support with our companion website.
