meritocracy As Formisano shows these forces respond to the oligarchy's power and compete to bask in the presence of the 01 percent They also exacerbate the dangerous instability of an American democracy divided between extreme wealth and extreme poverty The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1874

The Commercial and Financial Chronicle ,1942 **The Illustrated London News** ,1845 *Base Ball Pioneers, 1850-1870* Peter Morris,William J. Ryczek,Jan Finkel,2014-01-10 By 1871 the popularity of baseball had spread so thoroughly across America that one writer observed It is as much our national game as cricket is that of the English While major league teams and athletes that played after this prophetic statement was made have been exhaustively documented and analyzed those that led the game during its pioneer phase from 1850 to 1870 have received relatively little attention In this welcome work leading historians of early baseball provide profiles of more than fifty clubs and their players from legendary teams such as the Red Stockings of Cincinnati and the Nationals of Washington to forgotten nines like the Pecatonica Illinois Base Ball Club and the Morning Star Club of St Louis Engaging narratives bring these long ago clubs back to life stimulating more research on this fascinating era and creating a standard reference source for all who study America's national pastime
