Tipping Point for Advanced Capitalism D.W. Livingstone, 2023-09-07T00:00:00Z Tipping Point for Advanced Capitalism is a pathbreaking study of the changing class makeup of the Canadian other G7 and Nordic labour forces since the 1980s documenting especially the rise of non managerial professional employees The book provides unprecedented tracking of the links between employment classes and higher levels of class consciousness including the often

hidden political consciousness of corporate capitalists as well as the extent of oppositional and revolutionary consciousness among non managerial workers The large differences exposed between class conscious capitalists and these non managerial workers on issues of poverty reduction and global warming reveal the strategic roles these key class agents play in actions to defend or transform advanced capitalism The most concerted evidence based study to bring class back into grasping the intimately linked ecological economic and political crises we now face The Routledge Companion to Qualitative Accounting Research Methods Zahirul Hoque, Lee D. Parker, Kathryn Haynes, 2017-03-31 Selecting from the wide range of research methodologies remains a dilemma for all scholars not least those looking to study the world of accounting Both established and emerging research methods are frequently advocated creating a challengingly broad range of choices Covering a selection of qualitative methodological issues research strategies and methods this comprehensive compilation provides an essential guide to the choice and execution of qualitative research approaches in this field The contributions are grouped into four sections Worldview and paradigms Methodologies and strategies Data collection methods and analysis Experiencing qualitative field research personal reflections Edited by leading scholars with contributions from experts and rising stars this volume will be essential reading for anyone looking to undertake research in the qualitative accounting field
