

A top-down view of a wooden desk. In the top left is an open notebook with lined pages. Below it is a silver laptop. To the right of the laptop is a pen and a pair of glasses. In the bottom left is a white cup of black coffee. In the bottom center are three paper clips (two green, one yellow). On the right side of the desk is a 'Morning Routine Tracker' planner with a grid for tracking activities like meditation, affirmation, visualization, exercise, reading, and journaling over a month. The word 'GOALS!' is written in large blue letters in the top right corner.

Mosby's Fundamentals of Therapeutic Massage - E-Book Sandy Fritz, Luke Allen Fritz, 2020-02-13. Success in massage therapy begins with a solid foundation in the fundamentals. **Mosby's Fundamentals of Therapeutic Massage**, 7th Edition, helps you build the skills you need from assessing problems and planning treatment to mastering massage techniques and protocols. Hundreds of photographs demonstrate massage techniques step by step, and case studies bring concepts to life. How-to videos on the Evolve companion website show manipulation techniques, body mechanics, positioning, and draping and more. If you want to prepare for licensing and certification exams and succeed in practice, this resource from massage therapy expert Sandy Fritz is your text of choice. Comprehensive coverage includes all of the fundamentals of therapeutic massage, including massage techniques, equipment and supplies, wellness, working with special populations, and business considerations; it also prepares you for success on licensing and certification exams. Step by step, full-color photographs demonstrate massage techniques and protocols by body area. Three hours of video on the Evolve website demonstrate techniques and body mechanics; each clip is narrated and performed by author Sandy Fritz, as well as review activities for licensing exams. Proficiency exercises provide opportunities to practice and apply what you are learning.

Case studies offer practice with clinical reasoning and prepare you to address conditions commonly encountered in professional practice Coverage of body mechanics helps you to create an ergonomically effective massage environment and to determine appropriate pressure drag and duration application while applying massage methods Coverage of multiple charting methods helps you develop record keeping and documentation skills including SOAP and computer charting with simulation on Evolve Learning features include chapter outlines objectives summaries key terms practical applications activities and exercises and workbook type practice Review tools include matching exercises short answer questions fill in the blank questions drawing exercises and critical thinking questions all available on Evolve Research Literacy and Evidence Based Practice chapter includes new research findings and explains how research is done and how to read and understand it Adaptive Massage chapter explains how to address the needs of specific populations from pregnant women and infants to hospice patients and people with physical impairments Massage Career Tracks and Practice Settings chapter covers massage therapy services offered at spas and looks at the spa as a possible massage career In depth coverage of HIPAA shows how to store records in a HIPAA compliant manner and explains HIPAA requirements and training Foot in the Door boxes outline the professional skills expected by prospective employers Updated Basic Pharmacology for the Massage Therapist appendix provides up to date information on common medications

First Responder Careers Expose Individuals to Higher Risks of Developing Trauma Some careers include a higher likelihood of experiencing traumatic events that can lead to the development of PTSD Serving in the military is a high risk factor for developing PTSD However combat veterans develop PTSD at different rates depending on the severity and length of exposure to traumatic experiences There are also high incidences of reported sexual harassment and sexual abuse in the military As a result the rates of PTSD are relatively high compared to the overall prevalence in the general population Not only can law enforcement officers experience direct threats and stressful conditions but they also regularly witness the devastating effects of assaults robberies kidnappings and violent events However individuals in this profession have lower than expected rates of PTSD surprisingly An estimated 20 percent overall may result from having access to counseling and rigorous pre employment screenings EMTs and paramedics are routinely exposed to life threatening incidents and have more health problems than individuals in other occupations PTSD rates in this group are as high as 20 percent PTSD prevalence in this profession is comparable to law enforcement

Firefighters conduct paramedic activities and are the first responders to natural disasters Firefighting is a dangerous profession that exposes workers to stressful conditions and traumatic events ranging from threats to their safety and experiencing the devastating effects of catastrophes As a result the prevalence of PTSD in this group can be as high as 20 percent Volunteer firefighters may have even higher rates because they don t have access to the same level of support as career firefighters Healthcare workers especially those working in emergency rooms and intensive care units are also at higher risk For example nurses working in critical care units are more likely to develop PTSD than nurses in other groups In addition while senior level nurses report fewer PTSD symptoms than junior ones they report higher rates of burnout Finally healthcare workers exposed to patients that have experienced violence such as an assault victim are more likely to develop PTSD than surgeons who treat assault victims

Rescue workers medical workers and volunteers who act as first responders during disasters witness the aftermath of horrific events and can even become involved in severe traumatic events The prevalence of PTSD in these individuals has been estimated to be between 15 and 30 percent Journalists who work as war correspondents are at higher risk of being injured killed or kidnapped Their lifetime prevalence of PTSD which can be as high as 30 percent reflects their lack of access to support and PTSD treatment options Transit and train operators are frequently

exposed to physical threats and witness suicide incidents such as person under train events Exposure to these traumatic and threatening circumstances can be a daily or weekly occurrence Bus drivers are more prone to PTSD because they have more direct contact with the general public than train drivers locked in secure train cabs In these high risk professions the incidence of trauma declines when policies are in place to debrief victims give victims immediate access to counseling and screen for individuals at high risk of having adverse reactions to traumatic conditions *Recovering from Workplace PTSD Workbook (Second Edition)* Kevin William Grant, 2021-02-01 Stress anxiety depression trauma bullying and burnout have all become accepted realities of the modern workplace This recovery workbook will help you unpack your workplace realities educate you about PTSD and help you build your personalized transformation and recovery plan Each exercise in the workbook walks you through a process of self reflection and self discovery to help you understand and make sense of your situation Recovering from PTSD is a step by step process Whether you want to make a change in the next couple of months or the next few years this workbook is designed to help you achieve the following Open your mind to explore your PTSD recovery options creatively Identify and understand the triggered emotions that surface with your PTSD symptoms Deepen your approach to life and your lifestyle needs Define what you need in your work environment to feel healthy and happy Outline your recovery action plan and personal recovery steps Transform your passions and interests into a viable recovery plan Systematically walk you through how to research and contact local support professionals so you can achieve your recovery goals This recovery program has six core purposes Validate your current situation This recovery program begins by validating your experiences and breaking through any denial you may be experiencing by examining all the ways you could be traumatized at work Identify your realities Once you understand how you've been traumatized you'll learn about how PTSD develops and how to break through the defenses that protect you from the painful experiences you're facing Understand workplace PTSD Armed with a deeper understanding of what PTSD is how it develops and how you react to trauma you will be able to identify the support you'll need to heal and recover Build your recovery team and develop your action plan Useful tools and techniques will help you connect with and build your team of support professionals and advocates Once you begin working with your team you'll start the recovery process by acquiring a set of skills and techniques to help you weather the storm and begin healing Grieve mourn and let go Recovery will take you on a journey of grieving mourning and letting go which will transport you to a new sense of calm and acceptance I'll break down this journey into the stages you'll travel through to get to the other side Maintain your recovery Finally I'll share helpful ways to maintain your recovery manage setbacks with compassion and track your progress so you can proactively navigate the inevitably choppy waters as you continue your healthy and productive recovery *Amazing Dads Fatherhood Curriculum* Dan Griffin, 2024-04-30 The only trauma informed curriculum designed to turn men into great dads *Amazing Dads Fatherhood Curriculum* teaches fathers with kids of all ages to become exceptional parents These detailed lessons meet dads where they

are starting from the common tendencies of male socialization to help explain key concepts of healthy fathering Through a trauma informed approach this curriculum creates safety in the group setting while delving into critical topics that fathers simply do not tend to talk about with people in their lives Unlike other fatherhood curricula Amazing Dads addresses a breadth of topics empowering men to discuss issues like family of origin sexuality how punishment can turn into abuse self care and how toxic messages in the culture can hinder parent child relationships Each session incorporates grounding and breathing exercises in addition to activities exercises and experiential opportunities that allow participants to connect with the material on a meaningful level By the end of this course fathers will have gained the increased self awareness needed to enhance their relationships with their children and other family members Lead fathers through a curriculum of targeted lessons focused on how male socialization affects their parenting Guide participants through exercises for developing relational communication and conflict resolution skills Connect with dads on a meaningful level by creating a safe space for discussions of trauma and other difficult subjects Explain important parenting concepts using examples hands on activities and more This curriculum is excellent for use in parenting groups behavioral health treatment programs addiction treatment programs and other community based programs serving fathers Dads of all backgrounds with kids of all ages will benefit from the wisdom in Amazing Dads Fatherhood Curriculum
