

The background of the entire image is a composite. On the right side, there is a profile of a woman's face, looking towards the right. The face is rendered in a light, almost ethereal tone. Overlaid on the left side of the face and extending across the top and bottom is a dark, moody forest scene. The trees are bare, with thin, dark branches reaching upwards. The lighting in the forest is dim, with some light filtering through the canopy, creating a sense of mystery and depth.

Asylum Lily White, 2020-07-05 Words are funny things Their meaning the pictures they paint in the minds of those that hear them They re not always the same and to me at least that makes them meaningless Take for instance the phrase black widow Those words conjure the image of a spider However instead of speaking of an arachnid the people who whisper them are talking about something much different They re talking about me From what I m told no man I ve ever loved has survived Yet I have no memory of any of it My new home leads me to the definition of another vague and meaningless word But the definition for the word is wrong Especially when you re made silent by drugs and pretty white jackets My name is Alexandra Sutton and this is the story of what happened when I was imprisoned inside an Asylum Disclaimer Asylum is a dark novel that contains sensitive subject matter not appropriate for readers below the age of 18 years of age Asylum also contains explicit descriptions of violence Asylum is a full length novel at 90K words and is not part of a series **Baby Girl: A New Adult**

and deceit I couldn't put this book down once I started it I don't want to give away any spoilers so I will give a brief overview as best I can This book picks up right from where Vampire Witch left off In book two of this series we catch back up with Casey We get a quick update as to what has happened since the end of the last book or maybe it's a refresher as to what happened at the end of the first book I think I really like Gwendoline Geo and Luthias grandmother a lot She's a card When an old woman tells you that you do not have to pick between two men that's just funny Very progressive for an old woman I am already hoping there is a third book to this series and I will say no more You must read the first book then this one for it all to make sense Pretty much picking up where Vampire Witch left off this wonderful continuation draws you right in If you loved the first book in the series be prepared for another amazing read I actually enjoyed this book more than the first This book is amazing Once you start reading you won't be able to put it down and you won't want to put it down There are so many twists and turns when you think you have things figured out everything changes Luthias is more prominent in this book and it was great getting to know him better There were times I wanted to slap Casey and just ask her why Lol Vampire Land is the main focal point and there are a few new characters there that are great and well developed All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of Casey Geo and Luthias or her just trying to figure out how to become a vampire queen Casey really goes through some major struggles this story and I really liked how she grew as a person the entire story

Missy's Choice Eileen Sheehan, 2018-07-31 The supernatural battleground of Wolf Mountain doesn't know peace as the war rages on In the midst of this chaos a stunning revelation turns Missy's life upside down she discovers that she possesses royal fairy blood tracing back to her long lost grandparents But it's not just a fairy tale discovery Missy's exasperation with her love life amplifies as her grandfather not only challenges her choices in men but beckons her to embrace his legacy something her father had scorned and the very reason she had been raised as a human Regardless her heart pulls her towards a vampire while her wolf mother complicates matters further Brimming with conflicting emotions Missy stands at a crossroads Does she forge ahead cherishing the life she has come to adore on Wolf Mountain Or does she dare embrace a newfound truth one that unravels an enrapturing and tantalizing kingdom she never knew existed Journey with Missy as she navigates the intricate web of love lineage and a destiny that holds both strife and delight Missy's Choice is the final book of the sexy and exciting a Wolf Affair Trilogy What a few readers are saying This was the perfect ending to a great series I wasn't sure how everything would come together especially since I had a bad feeling about certain characters This Book wrapped everything up perfectly though I could not have asked for a better ending These characters and this story will definitely stay with me long after I've finished Wow the Exorcist at it's best or maybe worst happens in this book Dang I really hope to see a Novella about Kenton's family background to tell us more about his family history I already knew he was a great guy and the little bit of information I gained from this book made me like him even more
