Robson, 2018-10-24 I need good characters in order to truly enjoy a book series NEED them This has been my main attraction to this series from the beginning it has such a great set of them Cecy continues to keep the Weird Girls series fun and exciting Christy's Love of Books The rest of the werewolf pack might consider Aric Connor to be omniscient and destined to save the world when evil returns to claim it But for the most part fifteen year old Aric ignores the confirmations of his powers taking everything in stride until he meets her Celia Wird wasn't supposed to awaken naked in the mountains of Colorado not when she was just stalking her prey in a filthy alley several states away She especially wasn't supposed to meet Aric the handsome werewolf who comes to her aid As a supernatural tasked with protecting the earth Aric sympathizes with Celia's dangerous situation He's also struck by her beauty and kindness Yet as much as Aric welcomes Celia her arrival isn't a peaceful one Dark forces stir in Celia's presence resolute on killing her Aric and his inner beast are adamant about keeping Celia safe and with them But there's a time and a place for love and Aric and Celia might not survive long enough to find it

Dark Congress Christopher Golden, 2018-05-08 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b.c. however the Dark Congress failed to resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice **Seven To Eternity #16** Rick
